Dr. Michael Torrens
Director of Analysis, Assessment and Accreditation
Utah State University
1435 Old Main Hall
Logan, UT 84322

Dear Director Torrens:

This is to certify that the Northwest Commission on Colleges and Universities (NWCCU) is the regional institutional accrediting agency for colleges and universities in the states of Alaska, Idaho, Montana, Nevada, Oregon, Utah and Washington. The Northwest Commission on Colleges and Universities is recognized as a reliable authority on regional, institutional accreditation by the United States Department of Education.

This letter serves to verify that Utah State University, located in Logan, Utah, has been accredited continuously by NWCCU since receiving initial accreditation in 1924. The Northwest Commission on Colleges and Universities accredits Utah State University at the associate, baccalaureate, master's, and doctoral degree levels. The Commission most recently reaffirmed the accreditation of the University in Fall 2013 on the basis of a Year Three *Resources and Capacity* evaluation. The University's next comprehensive evaluation is scheduled for Fall 2016.

The institutional accreditation of the University includes all academic program offerings and includes the sites covered in the enclosed "Utah State University Instructional Sites" document.

I hope this information is helpful. Please contact me if you have questions regarding the University's accredited status with the Northwest Commission on Colleges and Universities.

Sincerely,

Elsa Buckley
Coordinator, Communications, Institutional Changes,
and External Relations
