

Donated Bikes

We are always in need of bikes to help us increase our ever expanding "Blue Bikes" fleet, which is currently over 220. Our Blue Bike's can be checked out to students for three months at a time, free of charge. All donations are tax exempt. We are a non-profit organization, and depend on the generous donations given to us from the Cache community. You can drop any donations by our shop, or you can coordinate with us to come pick it up! If you have any questions about donating your bike please contact the Aggie Blue Bike Program Coordinator at: 435-640-7550, or stephanie.tomlin@usu.edu
