

TRANSFER ARTICULATION AGREEMENTS

Institutional Agreements

Students who transfer to Utah State University from one of the institutions listed below will have their coursework evaluated as follows:

1. Students who transfer to USU and have an Associate of Arts or an Associate of Science degree (or have completed the General Education requirements of the sending institution from one of the institutions listed below), will be deemed as having satisfied certain requirements, depending on their initial enrollment date at USU. Those who began attending USU prior to Fall 1998 are considered as having met the former quarter General Education requirements. Those who began attending USU between Fall 1998 and Summer 2000 are deemed as having satisfied all University Studies requirements. Those who began attending USU Fall 2000 and later will be deemed as having satisfied the General Education portion of the University Studies requirements, and will be required to complete the Depth Education requirements at USU.

A student who transfers without an Associate of Arts or Associate of Science degree will need a registrar's certification stating that he or she has completed the General Education requirements at the sending institution.

2. Students who transfer to Utah State University with less than an Associate Degree (and have not completed the General Education requirements) or with an Associate of Applied Science Degree will have their General Education courses evaluated on a course-by-course basis and may be required to take any additional courses necessary to satisfy the General Education requirements at Utah State University. However, if these students have taken equivalent General Education courses at the sending institution, these courses will be accepted toward satisfying General Education requirements at Utah State University.

Courses approved as fulfilling General Education requirements at a Utah System of Higher Education (USHE) institution, Brigham Young University, LDS Business College, Westminster College, and Brigham Young University—Idaho will be acceptable to Utah State University as satisfying comparable General Education requirements. Coursework acceptability at other institutions will be determined by the student's major department at Utah State University.

3. Coursework taken to fulfill requirements other than General Education will be reviewed by the appropriate department within Utah State University. Coursework acceptability will be determined by the student's major department at Utah State University.

4. Utah State University will require students to satisfy an American Institutions requirement if an equivalent course has not been taken.
