General Education

The following courses taken at Brigham Young University will meet USU General Education requirements. Below the names of the USU categories, the names of the BYU General Education categories are shown in parentheses. Course listings with an asterisk (*) are not part of BYU's General Education requirements, but are equivalent to courses approved for General Education at USU. Therefore, these courses may be applied toward USU General Education requirements. USU equivalent courses are shown in brackets.

The following designations are solely for purposes of this document, and are NOT codes used by Brigham Young University. The designations indicate where BYU places these courses within its General Education program.
