General Education

The following courses taken at Utah Valley State College will meet USU General Education requirements. Below the names of the USU categories, the names of the Utah Valley State College General Education categories are shown in parentheses. Course listings with an asterisk (*) are not part of Utah Valley State College's General Education requirements, but are equivalent to courses approved for General Education at USU. Therefore, these courses may be applied toward USU General Education requirements. USU equivalent courses are shown in brackets.
