## General Education

The following courses taken at the College of Southern Idaho will meet USU General Education requirements. Below the names of the USU categories, the names of the CSI General Education categories are shown in parentheses. Course listings with an asterisk (\*) are not part of CSI's General Education requirements, but are equivalent to courses approved for General Education at USU. Therefore, these courses may be applied toward USU General Education requirements. USU equivalent courses are shown in brackets.

The following designations are solely for purposes of this document, and are NOT codes used by the College of Southern Idaho. The designations indicate where CSI places these courses within its General Education program.
