

Aggie CARE's Work and Family Life Faculty Forum Minutes

October 12, 2010

Attendees: Carrie Stott, Leah Schilling, Cara Allen, Ann Austin, Marla Boyer, and Afifa Sabir

Discussions centered on each individual's current projects. Our new attendee discussed her international summer workshops for young adults. The faculty forum is a good arena to link with other faculty and programs on campus.

Biotechnology Summer Academy information sent via AggieCARE list serve. More information available at 435-797-3504.

USU Human Resources will attend each of our faculty forums as a resource and answer questions pertaining to their area of expertise.
