

Evaluation of MHR 2160 Tutor Training Class
Spring 2007

1. The tutor training class helped me improve my tutoring skills and strategies.
100% agree ____ disagree Suggestions for improvement:

2. The tutor training class helped me know what is expected of me as a tutor.
100% agree ____ disagree Suggestions for improvement:

3. The course packet/ manual provided useful information.
100% agree ____ disagree Suggestions for improvement:

4. The course assignments improved or reinforced my knowledge of the training topics.
100% agree ____ disagree Suggestions for improvement:
They do force us to think carefully about tutoring, etc, but at times they were a bit tedious—is it possible for these to require more creativity?
I think the case studies could be better.

5. I improved my ability to interact and communicate with students as a result of the tutor training class.
86% agree **14%** disagree Suggestions for improvement:
I think that the class had less to do with the interactions, maybe except for the role playing.

6. The tutor training class helped me to know better and interact more with other tutors.
86% agree **14%** disagree Suggestions for improvement:
My interactions have not changed with the other tutors.

7. The observation feedback session was helpful in providing feedback for my tutoring skills.
100% agree ____ disagree Suggestions for improvement:

8. Check the class topics that you found most informative and helpful.

4 Listening skills	5 Managing test anxiety /irrational beliefs
5 Tutoring Process	1 Test anxiety research/articles
3 Student epistemological beliefs	4 Problem-solving strategies and sharing among tutors
6 Learning styles	3 I Search paper
3 Bloom's learning levels and Questioning techniques	

9. List other topics or teaching methods you think need to be included in the tutor training class:
Stress relief-more activities/suggestions for relieving stress.
How to work with really rude students.
More roleplaying opportunities
Good tutor review strategies of previous math courses they've taken.
More strategy sharing.

10. Other comments regarding the class (pro or con):
I appreciate the emotional support it provides.
Very good class!
Penny's the best!
