Budget Related Academic Year & Summer Headcount Average (less duplicates).

Prior to 1998-99, enrollments were counted at the third week census, thereafter,

² enrollments reflect end of term data.

Non E&G Instructional Line Items. As of 2006-07 these included Uintah Basin,

³ Southeastern Utah, Brigham City, and Tooele/Wasatch.

Two new line item centers were created, Brigham City and Tooele/Wasatch, thereby

reducing E&G enrollments; this accounts for the seeming decrease in E&G

⁴ enrollments while the Grand Total for USU actually increased.

⁵ Includes a transfer of enrollment from E&G to Brigham City
