<sup>1</sup> Budget Related Annualized FTE

<sup>2</sup> Budget Related Academic Year & Summer Headcount Average (less duplicates).  
Prior to 1998-99, enrollments were counted at the third week census, thereafter, enrollments reflect end of term data.

<sup>3</sup> Non E&G Instructional Line Items. As of 2011-12 these included Uintah Basin, Southeastern Utah, Brigham City, Tooele, Eastern, and SanJuan.

<sup>4</sup> Two new line item centers were created, Brigham City and Tooele/Wasatch, thereby reducing E&G enrollments; this accounts for the seeming decrease in E&G enrollments while the Grand Total for USU actually increased.

<sup>5</sup> Includes a transfer of enrollment from E&G to Brigham City

<sup>6</sup> Eastern & SanJuan Summer enrollment data not available.
