- Comments:**
- The hall didn't seem to be as busy as the ballroom or sunburst.
  - Great! Plenty of room.
  - Space between the tables and aisles was perfect.
  - Looked confusing due to displays, but found it easy to walk through.
  - Maybe organize tables by genre – tells students what to expect.
  - It would be nice to have chairs to sit on in front or side of table.
  - Great spacing.
  - Great room for people to move around.
  - Some congestion in walk ways along south-west end of ballroom when several people stopped at the business tables – no room for others to get by.
  - Open the doors to the ballroom.

  - Great directions (via signage); put closer to fair location.
  - We switched reps at the last minute and everything was still very smooth.

  - Enough to keep busy.
  - Better than past years.
  - Better than any other school.
  - Less then in previous years for EE and ME candidates.
  - Most students are afraid of the military/know nothing about it.
  - It was very busy. We were very impressed with the turnout.
