Comments:

- * Love the fair
- * Too many people who are only interested in Engineers
- * Not many opportunities for my major
- * The statesman insert was very helpful
- * All the companies are great. I got some good stuff.
- * It's great to have so many but more is always good
- * Great event
- * Thanks!
- * I saw mostly engineer-based companies, can we get more business major related companies here?
- * Very informative
- * I want a job, dang it
- * Needs better organization
- * Kind of crowded, but nice to see so many employers
- * I was just looking around, I still have a while before graduation
- * I didn't see a lot of employers that fit with my major, I would maybe like to see more in the future.
- * The fair was very good. Disappointed in some HR reps
- * I wish there had been more companies for other majors, I.e. English
- * It was very useful!
- * Not enough variety in employers - very few dealt with health careers
- * Had a list of companies I wanted to talk to
- * I always enjoy these things! They are great!
- * Important service - got good information about careers
- * Need companies that hire database administrators, IT personnel, network manager, etc.
- * They seem to target engineering and business. Not much for International Studies
- * I'll prepare better next year
- * Very well organized this year
- * Very nice
- * I wanted to see more but had classes and work
- * Excellent
- * Great Fair, there were a lot of companies maybe group companies by field?
- * Thanks!
- * The web page was helpful
- * Wish I could spend more time with employers
- * It was fun and very helpful
- * Great job, I found this very informative
- * Great - was a little disappointed on how booths started being taken down before 3:00-Thank You!
- * Most companies were looking for engineers but there were still a lot of opportunities in HR
- * Organize layout by job type (engineering, business, etc.)
- * I wish all health professions were grouped together
- * Well put together; nice variety
- * A lot better than the Tech Expo, nice job
- * Good times
- * It was difficult to tell what some companies did
- * Great Job!
- * Number of companies for ECE is poor. Career Fair sucks!
- * This is the best way to get contacts for potential employment!
- * This is very informational and I fell it was very helpful
- * There were not many jobs for Tech Writers. A better variety in companies would be nice
- * As student host, we weren't needed very much

Student* Evaluations and Comments

Comments (cont.):

- * It was crowded, but I did find new opportunities
- * It would be much easier if it went a little longer so it wouldn't conflict with class, 4 or 5 to end would be better
- * USU web page is not easy to find you, Melissa emailed info.
- * Many companies are same as last year. Can we invite company?
- * Great turnout not a lot of design opportunities
- * The Career Fair was great. Thanks!
- * Could have posted jobs that each employer is looking for I liked that they had each companies website
- * Where is Microsoft this year?!?
- * Extremely helpful
- * I like the variety of technical companies keep more of them coming
- * Lots of good stuff
- * Excellent career fair 3 times as big as Boise State
- * Good fair, very helpful contacts
- * It is good
- * Keep it up
- * It's really helpful when the companies display the majors they are seeking
- * Awesome Career Fair! I'm really excited about the contacts I've made.
- * This was a great opportunity to talk to the people of the companies. It offered great insight into whether or not I wanted to follow-up.
- * Should solicit more foreign jobs or those that require 2nd language
- * Fun people
- * Very informative
- * It was really helpful!
- * My 1st timer here! Thrilling
- * It was helpful
- * Love the Career Fair
- * Nothing for my major
- * Great opportunity
- * Good
- * Very easy to follow and access
- * Good information
- * Not much for the arts
- * I think that there was a wide variety here for jobs
- * Good Career Fair
- * This Career Fair is too geared towards engineering not business/operations management
- * Too many engineer employees!
- * Thank you for bringing so many great companies
- * I wish there were more jobs relating to my majors
- * It was great
- * Get more employers geared toward my major
- * Great
- * Have consolidated information for info sessions of different companies
- * Great service
- * Very nice and informational
- * Very informative
- * Not to much I am interested in. To me it seem there were a lot jobs but not careers.
- * Great opportunity
- * Good, need more employers
- * Need more biological/biotech firms
- * Good stuff!
- * Great!
- * Awesome job
- * Was a very good experience, and opportunity to learn
- * A little more advertising about when coming I am a senior taking 14 credits and didn't hear about it until today!
- * Awesome! Where's Lockheed and Boeing?
- * I need a job!
- * I hope I win!
- * More apt to pursue next year when I graduate
- * There are a lot of people to talk to and this is a great opportunity for me to consider various career options.
- * Liberal Arts Degree is useless!!!
- * Thanks for putting all of this together
- * It was very helpful. Of course more companies are always better :)
- * It was really good opportunity!
- * It's great!
- * There is nothing for humanities students
- * Best variety of companies you've had in the last four years!!!
- * It was really good
- * There were no publishers, newspapers, magazines, or film companies
- * I found them all to be very helpful in looking for employment

Student* Evaluations and Comments

Comments (cont.):

- * Exciting
- * Good Job/Set Up
- * It's a good opportunity
- * Good ties on what we should do to be more effective
- * Great fair - if possible locate like companies together
- * Very well organized
- * A lot better than last year
- * Lots of info, but it will be more helpful when I'm an upperclassman
- * Great experience
- * Need more jobs for sales
- * Good Career Fair
- * Put visiting employers info on webpage (I.e. who is looking for what)
- * Good for engineers, a bit sparse for everyone else
- * Very informative
- * Everything looks good. This really is amazing
- * Wonderful info!

- * Great fair. Lots of interesting ops, especially in engineering
- * Great job. Well run career fair
- * A little crowded, but very well organized, good mix of employers
- * Get more businesses seeking design students
- * It seems many of the employers that came either focused on engineering or business, which made my search a challenge, but it was fine.
- * This will be more helpful when I'm a junior or senior
- * Great Fair! I came away feeling very productive and helpful!
- * Good Job/Set Up
- * Sweet info experience
- * It was very good to ask those people from their experience
- * It would be nice to have employers here that actually have job openings. Every one I talked to didn't have jobs.
- * Not much diversity...seemed to be aimed toward engineers
- * I was surprised at how many employers were unprepared to answer questions about internships
- * It would be nice to have all engineering near each other so we don't need to go searching
- * Great maybe more tourism business please
- * Great day - Thanks!
- * I was a student host for a company called Moore Wallace this time and it was a great experience.
- * It was mostly business focused
- * I kinda wish it was set up more by major
- * Excellent!
- * Great diversity of booths
- * I wish it was more organized toward careers(layout)
- * We need more culinary contacts

- * The list of employers was easy to access. I liked that.
- * I found some very useful info
- * I like that similar booths have some (but not too much) separation
- * This was a good fair
- * Great Job! Thanks for the water booths
- * The employers were very narrow and were only able to send me to the websites. Disappointed the FBI didn't come
- * Thanks
- * It's really helpful to see what's available
- * Great!
- * Thanks for sponsoring this opportunity to see what companies and jobs are available
- * It was great
- * Good Variety
- * This is hard for education majors to attend because all they are certified to do is teach. Have more opportunities for el. Ed. Majors that they can do during summer
- * Need more diverse jobs (education, college service jobs, etc.)
- * It was helpful because I knew who would be there before hand
- * I came hoping to speak with a recording company, but there weren't any here
- * Nice and helpful
- * Informative
- * Good selection!
- * Great options, nice people
- * Huge!
- * Great fair!
- * Lots of businesses, I like it!
- * Need more careers dealing with social work
- * It's a very good opportunity to meet lots of people at this job fair. Thanks very much!
- * I like it when the employers have signs displaying what they are hiring for.
- * Well organized

Student* Evaluations and Comments

Comments (cont.):

- * Instead of listing in alphabetical - list should be by table number
 - * Wow, thank-you for drawing in so many good companies
 - * I did pick up info, just no from Career Services
 - * It would be nice to have companies listed by profession rather than by college
 - * This was very helpful - it pushed me to talk to people
 - * It would be very helpful if there were more recruiters for Registered Dietitians (hospitals, etc). The options for my major were very slim.
 - * It was great
