Comments:

- * I didn't find hardly anyone in my field of interest (ME).
- * Love that there are more than last and it's more spread out.
- * It was very well done.
- * Great preparation tips on website.
- * I would have prepared more had I intended to take it more seriously. Many emails were motivating in preparing for the fair.
- * Great
- * Thanks
- * Would like to see more marketing opportunities
- * Nice to meet so many employers in such a short period of time.
- * I wish I knew about this earlier.
- * Less opportunities than last year, but understandable.
- * I liked it a lot. Some places seem more to be hiring now than a career.
- * This was very fun and helpful!
- * This was better than last time.
- * Thanks!
- * Not many chemistry or biology employers.
- * Need to be Junior or higher to really take advantage of Career Fair.
- * Great thing going.
- * Many to choose from, great!
- * Really good to visit with employers.
- * Great opportunity to network and stock up on pens!
- * Thanks!
- * Helpful but get more companies for PhD jobs.
- * Thanks
- * Great experience
- * My major (speech communication) isn't very field specific and I got an impression from some employers that they looked down on that. I didn't like that.
- * There is confusion about who is interviewing and who isn't.
- * More design and environmental firms.
- * Everything is awesome.
- * This is a great program.
- * Very helpful, keep them coming.
- * Good job
- * Great event, I heard employers also comment on the quality compared to other schools.
- * It was well done.

- * Appreciated the list of employers on the site.
- * Great job
- * It was really good.
- * Not very many if any positions that apply to me as a geologist.
- * Well done!
- * Well organized, found who I wanted to see easily; expect to get a job.
- * Not many internships, most of engineering jobs require U.S. citizenship.
- * There is rarely companies interested in my major (FCHD).
- * It was great - lots of variety and helpful people!
- * More employers
- * There is a lot of good info here! Not really looking right now.
- * Great work
- * It was a nice experience.
- * Great work!!
- * Very informative
- * Great job with setup and time!
- * Great but disappointing that there were so many no-shows.
- * Not many jobs directed to my field (corporate wellness).
- * More biochem!
- * Very organized.
- * The website had very useful information; however, I felt like there wasn't many employers applicable to my major International Business (or business in general).
- * I wish I had been an engineer major!
- * A great opportunity to talk with employers.
- * Not many companies for us (ECE).
- * It was fun!!
- * I really liked the companies that posted up front the positions desired.
- * Great!
- * Need more jobs for individuals without degree's.
- * It's great to make so many companies available. I would like to see more local companies represented.
- * Enjoyed it. Met a lot more potential employers than expected.
- * Not bad
- * Very interesting - mostly above my schooling.
- * Melissa S. is amazing!
- * More people who employ community health educators would be great.
- * The people were poorly informed, I wish they were more interested.
- * Thanks I got my summer internship because of this!
- * Thanks for putting this together. What I'm really looking for is an internship, would have been extra helpful to have info. posted on employers taking interns...but it was still super helpful. Thanks!
- * There weren't enough medical exhibits or education exhibits.
- * Not very good selection this year.
- * Some of the companies on the list weren't here.
- * More medical/nursing related companies please.
- * This is a great career fair, but no summer internship.
- * Very well organized with informative employer contacts.
- * I think the fall career fair needs more employers.
- * Should have the job fair after Spring Break.
- * There wasn't a lot of corporations for my major. I would have liked to speak with Boeing or other airline corporations.
- * I was able to research the companies, most were very helpful.
- * Thanks, you guys are great.
- * It was a good experience.
- * Everyone just said "yeah check out the website if you're interested" and didn't want resumes.
- * Keep it coming
- * Nicely put together.
- * Thanks!
- * It was great :)
- * Great! Would've been nice to group employers by major to find them easier.
- * Nice and helpful but should get more for PhDs.
- * Excellent experience.
- * There were many good opportunities present today.)
- * Great!
- * Nicely laid out this time.
- * Not much here for students in social sciences.
- * This is so great!
- * Need more companies for healthcare industry.
- * Very helpful and well organized! This was great!!
- * I wish there were more businesses here offering for ME majors.
- * I loved it.
- * There was a lot to choose from but a lot in finance and engineering. My field (print journalism) didn't apply to many.
- * Very nice, informative.
- * More landscaping companies.
- * Good opportunities here.
