

Graduate Fair 2005

School* Evaluations and Comments

Amount of student traffic at your table

Above Average		Average		Poor
5	4	3	2	1
9.1%	33.3%	30%	18%	9%

- Comments:**
- ~ Great, I ran out of info cards.
 - ~ Move to the International Lounge, Traffic was terrible.
 - ~ Overall number of students attending was poor.
 - ~ I believe we had more traffic when we were in the sunburst/international lounge. It would be nice to have the fair out there again.
 - ~ Better than previous years at USU.

Quality of students visiting your table

Above Average		Average		Poor
1	2	3	4	5
15.2%	39.4%	39%	3%	0%

- Comments:**
- ~ Couldn't tell, not enough traffic flow.
 - ~ Mostly the students were curious about occupational therapy so I did a lot of educating. Which is wonderful. However, many of the students won't pursue the field.
 - ~ Very polite, intelligent, enthusiastic students.

The Registration process for the Fair

Above Average		Average		Poor
5	4	3	2	1
36.4%	51.5%	6%	3%	0%

- Comments:**
- ~ Very easy.
 - ~ I would like to pay by credit card. I emailed last week with a change in information of our table card. The change was acknowledged but wasn't made.
 - ~ Online registration would help.

Accommodations at USU (parking, food, etc.)

Above Average		Average		Poor
5	4	3	2	1
45.5%	48.5%	6%	0%	0%

- Comments:**
- ~ Good food, directions, and event staff.
 - ~ Parking great, food great.
 - ~ Food was great and the "welcome" folks were kind and informative.
 - ~ Would like a To-Go option for lunch to be able to bring it back to the table. Food was good.

- Other Comments and Suggestions:**
- ~ Time recommendation – 10-2:30.
 - ~ After attending the grad fair at U of U yesterday, this fair was especially great; Better facility, better food, better staff, and more students. Thank you.
 - ~ I like the coordination between U of U, Westminster, and Utah State, so the fairs are back to back. It might not hurt to have an undergrad and/or health fair and invite the community colleges. Starting at 10 am may work better, not much traffic before then.
 - ~ We appreciate the quality of USU student and applaud the faculty.
 - ~ The \$100 registration price seems steep with other campuses charging \$75 or \$100 for up to x number of reps/campus.
 - ~ Have students where name tags with first name, major, and year in school.
 - ~ In our folders/packets it would be nice to have a pre-printed card that says "back in x minutes" so we can write in the time. That way if there was only one person we could leave and students would know when to expect our return.
 - ~ Thanks for the excellent hospitality. Great to meet everyone here.
 - ~ More signs outside, on campus would be helpful. I had to ask a student for directions.
