	Chemistry/Biochemistry – 2
	Political Science/Education – 2
	Economics – 2
	General – 2
	Languages – 2
	International Development - 2
	Architectural – 2
	Medical – 2

Comments:

- Play some music – mult.
- Liked how they were willing to send more information.
- More specific programs rather than general overviews
- Promote the event more – mult.
- More information on how to find and apply to graduate school
- Everyone just said they were great and handed me a flyer
- A lot of booths were unmanned, maybe have more coverage
- More information before hand on what schools will be attending
- Survey which programs students are looking for before the fair
- Provide a list of common questions for those walking through to ask.
- Have different days for different colleges
- Include more general information about applying to graduate school.
- Provide clipboards
- Include a guest speaker about graduate schools

**Evaluations and comments taken from surveys from 224 students attending the 2005 USU Graduate Fair*
