

Tech Expo 2005

Employer* Evaluations and Comments

Amount of student traffic at your table

Poor		Average		Above Average	
1	2	3	4	5	
0.0%	0.0%	8%	54%	38%	

- Comments:**
- Full house from 5:10 to 7:30
 - Although I enjoyed my interactions with Micron Technologies, the positioning of the tables and the high volume of students that Micron attracted made it difficult to interact with students and at times even be able to stand in front of my table.
 - Would like to have the type of engineers we hire on the table.
 - Especially impressed with environmental engineering group of students

Quality of students visiting your table

Poor		Average		Above Average	
1	2	3	4	5	
0%	0%	15%	46%	38%	

- Comments:**
- Great quality students and individuals
 - Most were well dressed but not all, I expect nice clothes
 - Good questions for students to ask might be "what courses would you recommend for this field?"
 - I had hoped to see more nutrition and food science students
 - Highly motivated and asked good questions

The Career Services staff is considering the following times for the next Tech Expo.

Noon-3:00	3 p.m.-6 p.m.	5 p.m.-8 p.m.	Other
15%	38%	54%	0%

Currently the event is 3 hours. Should it be longer?

Yes	No
0%	100%

Overall, how satisfied were you with the Tech Expo?

Very Satisfied	Somewhat Satisfied	Somewhat Satisfied	Not Satisfied
46.2%	38.5%	7.7%	0.0%

- Other Comments and Suggestions:**
- Excellent opportunity for interchange with students.
 - Could we somehow indicate on the name tags that we are USU alumni? Just another way to connect with the students.
 - Provide a matrix showing students what types of engineering are looking for.
 - I was advised not to bring a booth but sat between two companies that did. It made me wish I would have.
