THE SCOTSMAN
Show me the Scotsman who doesn’t love the thistle!
Show me the Englishman who doesn’t love the rose!
Show me the true blooded Aggie from Utah
who doesn’t love the spot where the sagebrush grows!

USU FIGHT SONG
Hail the Utah Aggies
We’ll play the game with all our might.
See the colors flying,
The Aggie blue and fighting white.
How they stir us onward,
We’ll win the victory alright,
Hail the Utah Aggies—
We’re out to win so fight, fight, fight!

Utah State Hey
Aggies All the Way!
Go Aggies, Go Aggies—
Hey! Hey! Hey!

-Alderbert W. (Mickey) Hart and Marcus (Mark) Hart

ALMA MATER HYMN
Across the Quad at even tide,
As shadows softly fall,
The tower of Old Main appears and
Peace rests over all.
The lighted “A” upon the hill
Stands out against the blue;
Oh, Alma Mater, Utah State,
My heart sings out to you.

And through the years as time rolls on,
And student friendships grow,
We’ll ne’er forget the joys we had,
Those days we use to know.
Thy mem’ries ever will be new,
Thy friends be ever true;
Oh, Alma Mater, Utah State,
My heart sings out to you.

FOREWORD

When you go through the front doors of the Main building, up the steps and into the hall, you will see on your right in a glass case, the names of the members of all classes that have graduated from Utah State. These classes have built up a name for their college. A name for honorable conduct in the classroom, on the athletic field, and in later life; a name for ability and integrity; a name of active, live Utah State men and women.

Utah State is proud of her graduates and the name and position that they have given her. It is now up to you who are entering to carry on and add prestige that, now and always must by synonymous with the name of UTAH STATE.

-1938 Aggie Blue Book

The names of Utah State University graduates now number in the hundreds of thousands, and no longer adorn the walls of our beloved Old Main. The reputation of the university has grown, and the “name for ability and integrity” has continued to follow graduates of Utah State for more than a century. Yours is the responsibility to maintain that name.

COMPLETING ONLINE ORIENTATION MODULES
All incoming students are required to complete five online orientation modules found at usu.edu/orientation

Module 1: Pre-Registration: How to apply for federal financial aid, set up housing, helpful tips, etc.
Module 2: Registration: What classes to register for, how to register and get on waitlists, and how to contact an academic advisor.
Module 3: Aggie Orientation: How to make needed preparations prior to starting the semester, such as parking permits, ID card, textbook lists, etc.
Module 4: Pre-Semester: How to move in, what to do on day one, and how to complete required sexual assault prevention and alcohol training prior to arriving on campus.
Module 5: First Semester: How to access student resources, get involved, stay safe on campus, resolve roommate conflicts, access mental health resources, etc.

UPDATING PERSONAL INFORMATION
1. Log in at myid.usu.edu with your A-number and password.
2. Double check your preferred email and add a recovery email address. USU policy states you must check your preferred email account often, and that you are responsible for all official notifications sent to it. Most students create a USU Aggiemail account as their preferred email account. Aggiemail is hosted by Google and will not go away when you graduate, so it is yours forever.
3. Create a Security Phrase. Your Security Phrase may be used to verify your identity when contacting USU offices, such as Financial Aid, Registrar’s Office, etc.
4. Create your preferences for the Code Blue Emergency Alerts that USU will use to alert you, via phone or text, about emergencies or campus closures.
PREPARING TO ATTEND

REGISTERING FOR CLASSES
1. Complete New Student Orientation at usu.edu/orientation
2. Talk to your academic advisor. Find your advisor and schedule an appointment at advising.usu.edu
3. Choose classes using the first semester registration guides, catalog.usu.edu, and the Degree Works link under Banner at my.usu.edu
4. Register using Banner XE at my.usu.edu. Click Banner and then Registration Main Menu. Refer to deadlines found at the end of this book or in the online General Catalog.
5. Find information about waitlist options at usu.edu/registrar/htm/registration/waitlisting

PAYING TUITION & FEES
Deadline for Fall 2018 semester: August 15 at 5:00 p.m.
1. Check your account summary by going to my.usu.edu. Click Banner, and then Financial Account Summary. Select your term, then you will see your scholarships and financial aid reflected on this summary.
2. Accept your financial aid using the Financial Aid tab at the top of the page. Call 435.797.0173 with questions.
3. Click TouchNet Payment System at my.usu.edu to pay. You can use MasterCard, Discover, Visa, American Express, or electronic-check. Credit and debit cards are charged a 2.85% convenience fee (e-check is recommended in order to avoid the fee).
4. Enroll for a payment plan, if desired, through the online payment system. There is a nonrefundable $50 fee to create a payment plan.
PREPARING TO ATTEND

GETTING YOUR STUDENT ID CARD
1. Get your ID card at Aggie Orientation during check in.
2. If you did not complete Aggie Orientation in person, buy your ID card for $15 in TSC 212.
3. Add money to the Aggie Express account on your ID card at usucard.usu.edu
4. Use your Aggie Express account at retail locations around campus (including 10% off at select dining locations).
5. Use your ID card to get into NCAA athletic events at no charge.

BUYING TEXTBOOKS
1. To find the list of textbooks for your classes go to bit.ly/usuviewbooklist, use the quick link at my.usu.edu, or look it up using the in-store kiosks.
2. Buy or rent textbooks at campusstore.usu.edu or the Campus Store in the Taggart Student Center (TSC). All textbooks and course supplies are tax free from the Campus Store.
3. If you buy your books at the Campus Store website, select the Textbook Reservation option at checkout to have your books bagged and ready for pick up in the Campus Store when you arrive on campus.

CONTACTING YOUR ROOMMATES
1. Go to your housing account at housing.usu.edu to contact your future roommates if you are living on campus.
2. Coordinate who will bring larger items and cooking supplies.

FINDING STUDENT EMPLOYMENT
1. Set up a profile and search job listings using the AGGIE Handshake link at my.usu.edu.
2. Receive customized career coaching and resume assistance by visiting Career Services in University Inn 102 or calling 435.797.7777.
PREPARING TO ATTEND

PREPARING YOUR COMPUTER
1. Register your computer on the USU wireless network at bluezone.usu.edu
2. Make sure you have updated virus protection and that your computer checks for updates on a daily basis.
3. Ensure that you don’t have illegal files downloaded on your computer. Files that may have flown under the radar on previous networks will be flagged on a college network.
4. Call 435.797.HELP (4357) or go to it.usu.edu for help configuring your settings or accessing the wireless network.

BUYING A PARKING PASS
1. View parking and shuttle maps at parking.usu.edu to determine your best parking option.
2. Buy your permit online at parking.usu.edu or the Parking Office at 840 E 1250 N.

KNOWING YOUR RIGHT TO PRIVACY
Federal law requires Utah State University to protect your information. If you would like your parents, spouse, or anyone else to have access to your financial or academic information, you will need to make them a delegate.

• Security phrase: Allows you to verify your own identity over the phone when talking to offices.
• Delegates: May act on your behalf at USU. Delegates can speak to academic advisors and register on your behalf.

Create your security phrase and assign delegates at myid.usu.edu. Call 435.797.HELP (4357) if you have questions.
ACADEMICS

ACADEMIC HONESTY

“I pledge, on my honor, to conduct myself with the foremost level of academic integrity.” - Honor Pledge

Utah State creates an atmosphere of academic honesty through the Honor Pledge. The intent of the pledge is to enhance the learning environment at Utah State University and to develop student academic integrity. Every student is expected to follow the Honor Pledge.

Academic violations include, but are not limited to:

Section 1. University Standard: Academic Integrity

1. Cheating: (1) using or attempting to use or providing others with any unauthorized assistance in taking an academic exercise or activity that is supposed to be done “individually”; (2) depending on the aid of sources beyond those authorized by the instructor in writing papers, preparing reports, solving problems, or carrying out other assignments; (3) substituting for another student, or permitting another student to substitute for oneself, in taking an examination or preparing academic work; (4) acquiring tests or other academic material belonging to a faculty member, staff member, or another student without express permission; (5) continuing to write after time has been called on a quiz, test, examination, or any other academic exercise or activity; (6) submitting substantially the same work for credit in more than one class, except with prior approval of the instructor; or (7) engaging in any form of research fraud.

2. Falsification: altering or fabricating any information or citation in an academic exercise or activity.

3. Plagiarism: representing, by paraphrase or direct quotation, the published or unpublished work of another person as one’s own in any academic exercise or activity without full and clear acknowledgment. It also includes using materials prepared by another person or by an agency engaged in the sale of term papers or other academic materials.

Violations of the above policy will subject the offender to the University discipline procedures as outlined in Article VI, Sections 2 and 3 of the Student Code.
BACHELOR DEGREE GRADUATION REQUIREMENTS

• Minimum 120 credits
• 100 credits minimum with grade C- or better
• 40 credits minimum in upper-division (3000-level or above) coursework
• At least 30 credits at USU’s Logan campus, USU Eastern, or through classes offered by USU Regional Campuses. A minimum of 20 of these credits must be completed in upper-division courses, of which at least 10 credits must be completed in courses required by the student’s major.
• 1 course in American Institutions (or satisfactory AP, CLEP, transfer course equivalent, or IBO score)
• Completion of the University Studies General Education and Depth Education requirements (see next page for details)
• Minimum 2.0 GPA (Although, most majors require a higher GPA)
• Completion of major requirements
• Optional: 12 credits minimum in a minor

You should apply for graduation prior to attending your last semester. Apply at usu.edu/registrar/htm/graduation/apply-online

OLD MAIN HILL

Until the 1970s, Old Main Hill was the site of beginning ski classes, which are now taught at Beaver Mountain. Old Main Hill is still a popular location for sledding and activities year round!
UNIVERSITY STUDIES
Graduation requires completion of both portions of the University Studies requirements: General Education and Depth Education. Specific courses and exams that fill each of the requirements can be found at catalog.usu.edu
CITIZEN SCHOLAR

A solid University Studies foundation, combined with concentrated study in a major discipline and interdisciplinary studies, provides the breadth and depth of knowledge qualifying USU graduates as educated citizens.

The University Studies program is intended to help students learn how to learn—not just for the present, but also for the future. No individual can master all, or even a small portion, of society’s knowledge, but students can learn the basic patterns used to obtain and organize information, enabling them to discover or recover knowledge. University Studies involves a series of interrelated educational experiences which stimulate and assist students in becoming self-reliant scholars and individuals.

Scholastic marks are not used to calculate GPA. Refer to the University Catalog for further details about these:

- I: Incomplete
- I + a grade: Incomplete + grade
- W: Withdrawal
- CR: Credit Earned by Exam
- P: Pass
- AU: Audit
- NGR: No Grade Reported
- SP: Satisfactory Progress
- PASS/D+, D, F OPTION

If you would like to receive a P grade (Pass) in a class (does not calculate into GPA if C- or higher) rather than a standard grade, you must have your advisor sign a pass/fail form for the class and return it to the Registrar’s Office before 60 percent of the course has passed. Courses required for your major are often not allowed to be taken as a pass, so it’s important you consult with your advisor.

Once you have submitted this form, it cannot be revised under any circumstances. A grade of P indicates that you received a C- or higher grade, and P doesn’t calculate into your GPA. A lower grade will show as a standard grade and will calculate into your GPA. A minimum of 72 of the 120 credits required to obtain a degree must carry an actual grade (not just a P).
INCOMPLETE (I) GRADE
Petition your instructor for more time beyond the end of the semester to finish the work if you encounter an extenuating circumstance that does not allow you to complete all of the coursework for a class. If your instructor agrees, you will have two grades on your record: an “I” and a letter grade indicating what your grade would be if no more work was completed. If you do not finish the class in the amount of time you and your instructor agreed upon (no longer than 12 months), the “I” is removed and the original grade remains.

CHANGING GRADES
The instructor of a course has the sole authority to change a grade in a course. If the instructor is not available, the department head has authority to change the grade.

REPEATING COURSES
• You can repeat a course for which you have previously registered. The number of times you can take the same class is limited to a total of three times (once, plus two repeats). The total number of repeats allowed is limited to ten. Your dean must approve anything beyond these limits.
• When you retake a course, the most recent grade is used to recalculate your GPA. The first grade stays on your transcript, but is no longer calculated into your GPA.
• This policy does not apply to courses repeatable for credit. When a course listed in the University Catalog is identified as repeatable for credit the course may be taken more than once for credit.

ACADEMIC STANDING
• Good standing: USU cumulative GPA of 2.0 or higher (your major may require a higher GPA).
• If your GPA falls below 2.0, you will be placed on semester GPA warning, academic warning, or academic probation.
• Refer to catalog.usu.edu or ask your advisor for details.
ACADEMICS

TRANSFERRING CREDITS TO USU
Transferring credits to Utah State University, requires the previous academic institution where you received the credits to send an official transcript to Utah State. The Registrar’s Office then evaluates the credits to see how they will apply at Utah State.

To transfer credits earned through special examination (AP, CLEP, etc.), you should contact the organization offering the credit and request that they send your score to USU.

TRANSFERRING CREDITS TO OTHER INSTITUTIONS
If you are transferring to another institution, you will need to send an official copy of your transcript to that institution. You can request transcripts via Banner at my.usu.edu.

LEAVE OF ABSENCE OR COMPLETE WITHDRAWAL
If you are leaving the university for any reason, the Office of Student Orientation and Transition Services can help you simplify your return to Utah State. When you correctly file your intent to leave Utah State, the appropriate steps can be taken to make sure your admission status, scholarships, and student records are in order. The online form at usu.edu/loa will help you withdraw from your current semester classes and file either a Leave of Absence or Complete Withdrawal. Call 435.797.1132 with questions.

The Stampede
As Aggies we love to do things together, including going to the games! Before the first home football game a group begins marching throughout campus, led by flags and bagpipes, the group gets larger and larger by the minute. When we get to the top of the hill by the Spectrum, we stampede to the stadium together, chanting, screaming and getting excited to watch the Aggies!
TUITION & FEES

STUDENT FEE DESCRIPTIONS 2018-2019
RATES PER SEMESTER

*Rates are for 12-18 credits. See usu.edu/tuition for full list of credits and corresponding fees.

STUDENT CENTER FEE: The Student Center Fee is used for the operation and maintenance of the Taggart Student Center and its supporting departments. Students and official clubs and organizations can schedule the use of rooms in the student center at no cost. For reservations call 435.797.1724.
STUDENT CODE

USU STUDENT CODE
Utah State University grants to the student membership in a community which provides opportunities for education. The university may not interfere with the students’ rights guaranteed by federal and state laws. Similarly, as students participate in the campus community and its sponsored activities, they are responsible for their own actions, and are subject to local, state, and national laws, as well as all university regulations.

The Student Code includes expectations for the conduct of individual students, as well as student organizations that are formally recognized by the University.

KNOW THE CODE
The Student Code includes sections on students’ rights and responsibilities, academic integrity, misconduct, and grievances. For the complete Code, go to studentconduct.usu.edu/studentcode

THE QUAD
The quad has been the site of countless activities throughout the years. Each year during Week of Welcome and A-Day, the quad is full of clubs, organizations, and vendors allowing the students to enjoy the weather and get involved. The quad has been the venue for concerts, memorials, vigils, and sporting events. In fact, the first collegiate football game in Utah was played here in 1892 as the Agricultural College defeated the University of Utah.
STUDENT WELLNESS POLICIES

Utah State established the Student Wellness Center to provide education concerning factors putting students at risk for substance abuse, to assess current use or abuse, to make referrals to proper agencies if needed help is not available on campus, and to provide other resources. You can reach the center by going to the Student Health and Wellness Center building north of Maverik Stadium or by calling 435.797.1660.

USU IS A DRY CAMPUS

Dry campus is a term used for the banning of alcohol and illegal drugs on campus, regardless of the owner’s age. The Student Code at USU states that possession, consumption, sale, purchase, distribution, manufacture, and/or storage of any alcoholic beverage and/or illegal drugs anywhere on campus is prohibited. For a complete copy of the policy, see the student code.

ALCOHOL

• Understand “high-risk drinking” and how it can affect you. High-risk drinking is having five or more drinks in one evening for a man, or four or more drinks in one evening for a woman. High-risk drinking is drinking to get drunk.

• High-risk drinking leads to dangerous and damaging consequences, such as memory loss, driving under the influence, being physically or sexually assaulted, difficulty in classes, and lower grades.

• Responsible use of alcohol lowers your risk for negative consequences. A model you can follow to use alcohol responsibly is “Zero-1-3.”

ZERO-1-3

• Choose “Zero” drinks if you are under 21 years old, pregnant, chemically dependent, or you don’t want to drink.

• Consume only “1” drink per hour to set a healthy pace.

• No more than “3” drinks in one evening and never every day.
USU STUDENT DATA

- 93% of USU students drink alcohol responsibly or choose not to drink.
- Removing the nondrinkers, USU students consume an average of 3 alcoholic drinks per week.
- 92% of USU students choose not to smoke cigarettes.
- 90% of USU students choose not to use illicit drugs.
- 93% of USU students choose not to use marijuana.

UNDERAGE DRINKING AND LOGAN CITY COURTS

- If you are under 21 years old and choose to drink any amount of alcohol, although the law states the officers can arrest you, they will usually cite and release, unless you are a danger to yourself or others.
- The maximum penalties for an MIP are up to 6 months in jail and up to a $1,000 fine. The average penalties include a $500 fine, alcohol assessment and education, and 6 months to one year of probation.

SILENT DANCE & FINALS WEEK HOWL

Finals week can be stressful, so a few traditions have been made to make it a bit more enjoyable. Every Wednesday of finals week, at 9 p.m. in the library, a silent dance party begins! You bring your headphones, and your own music, dancing silently with your Aggie Family. Then at promptly 10 p.m., you let loose and howl your heart out for ten minutes.
BANNER XE

Banner XE is the university’s registration system. You can log in to Banner XE by going to my.usu.edu and clicking on Banner.

You will use this program to:
- Browse and register for available classes.
- View class schedules and calendars.
- Make a registration plan ahead of time.
- View catalog information about courses.
- Access grades and transcripts.
- Look at transfer credit information.
- Pay tuition and fees and view billing statements.
- Change personal contact information.
- Check financial aid status and accept federal aid awards.

For additional information and video tutorials, go to usu.edu/registrar/htm/tutorials.

COMMON REGISTRATION ERRORS

LINK ERROR

You have to register for a lab or recitation at the same time that you register for a class.

PREREQUISITE/TEST SCORE

Some classes require that you have certain courses or test scores before you can enroll. Check the Course Descriptions section of the General Catalog for specific prerequisites for a class and transcript. If you feel you have met the prerequisite requirements, contact your academic advisor or the Registrar’s Office for assistance.

REGISTRATION HOLD

This means that a hold has been placed on your registration. Click on the hold to see a description of the hold and a phone number of the person or office responsible for removing the hold.
REGISTRATION

SECTION CLOSED
This means that the class is full. Only the primary instructor of the course can extend the cap on a course. If the course has a waitlist, he or she can only do this after waitlists have been discontinued for the semester. If the instructor agrees to let you into the class, you must present a registration options form with the instructor’s signature to the Registrar’s Office. Instructors cannot override the waitlist to let students into any given course.

WAITLIST
This means that the class is full but there is a waitlist available for the class. You can waitlist several sections of the same course, and you can also waitlist different sections of a course for which you are already registered. If you make it to the top of the waitlist, an email will be sent to your preferred email indicating that you will have 24 hours to add the class (that changes to 12 hours after the semester starts). After that time, if you have not added the class, the waitlist will move on to the next student on the list, and you will need to re-add yourself to the waitlist to potentially add the class again. Make sure to check your email often after signing up for a waitlist. See a tutorial at usu.edu/registrar/htm/tutorials if you need further explanation.

For additional help with registration errors, visit usu.edu/registrar/faqs/registration.

LOCATION RESTRICTIONS
When registering for any course, even online courses, please select the correct section of the course based on your physical location. For example, a student living in Logan should register for courses that begin with a section code of ‘L’ while a student living and attending courses in Salt Lake City should register for courses that begin with a section code of ‘S’ (see chart on the next page). Registering for courses based on your physical location will ensure the proper resources and services are available to you.

ACADEMIC SUCCESS CENTER
TSC 305 | 435.797.1128 | usu.edu/asc

Tutoring in math and statistics, Study Smart Starter Kit, Supplemental Instruction (SI), and study skills workshops for students of all levels and ability are all opportunities offered through the Academic Success Center (ASC):

- Free drop-in math and statistics tutoring is offered for MATH 0995-2280 and STAT 1040-3000 in TSC 225A and the Junction Basement.
- Attend study sessions for students enrolled in certain breadth general education courses provided by the supplemental instruction (SI) program.
- Take the USU 1730: Strategies for Academic Success course. It’s a 3-credit course available each semester during 7-week face-to-face sessions at the beginning of each semester and after midterm. ASC also offers 15-week broadcast and online sections.
- Attend the Step-Up Study Skills Workshops, a series of workshops designed to help students study smarter, learn faster, and pursue university success.

Check Drop-in Tutoring, SI, and Workshop schedules each semester at

THE HELLO WALK
Our university is by far one of the friendliest! We even have an entire stretch of sidewalk dedicated to saying ‘hello’! The walkway stretches from Old Main to the Business Building. Students are encouraged to say “hello” to one another, and some days volunteers even station themselves along the walk to greet people! The hope is that as the community grows, so will the friendships and kindness!
IMPORTANCE RESOURCES

ACCESS & DIVERSITY CENTER
TSC 315 | 435.797.1728 | usu.edu/accesscenter

Promoting inclusion and student retention, enhancing students’ educational experience, fostering responsible citizenship, and developing diverse student leaders at Utah State University is the goal of the Access & Diversity Center.

LGBTQA SERVICES & PROGRAMS
TSC 315 | 435.797.1728 | accesscenter.usu.edu/lgbtqa

Promoting understanding and acceptance of diversity through education and campus outreach is what the LGBTQA (Lesbian, Gay, Bisexual, Transgender, Queer, and Allies) office aims to create.

Some programs that support that are:
• LIFE, USU’s Gay-Straight Alliance
• Allies on Campus
• LGBTQ Mentoring Programs
• OutSpoken student panels
• Community events
• Brown Bag Support Groups
• Info about other organizations serving the LGBT community

MULTICULTURAL PROGRAMS
TSC 315 | 435.797.1728 | accesscenter.usu.edu/multiculture

Join one of the many multicultural student organizations open to all USU students.

Clubs include:
• Asian Student Association
• Black Student Union
• Latino Student Union
• Native American Student Council
• Polynesian Student Union
IMPORTANT RESOURCES

Watch for annual events sponsored by these clubs including: Finding Asia, Soul Food Dinner, Echoing Traditional Ways Pow Wow, Fiesta Americas, Luau, and more!

MILITARY TIES
After WWII, Utah State’s ROTC program became one of the premiere programs in the nation. In 1948, the program had 2,200 cadets enrolled—which was 95 percent of all eligible males at the school. That same year, USU was granted more than 700 slots for commissioning officers. No other school in the nation, except West Point, commissioned as many officers as USU. This earned Utah State the nickname “West Point of the West.”
IMPORTANT RESOURCES

AQUATICS PROGRAMS
Visit the pools located in the HPER for your lap swim workouts and special events. Campus Recreation also offers various American Red Cross courses like swim lessons, lifeguarding, water safety instructor, and CPR/AED/First Aid. Visit aquatics.usu.edu for current pool hours and more information.

RECREATION SAFETY
As you recreate on campus and in the community, make sure you are aware of your surroundings, and do your part to keep yourself and those around you safe:

- Be aware of others who may be biking, running, or recreating near you.
- Set up orange cones to indicate the presence of slacklines (which may be hazardous particularly when set above waist height), equipment, or other things that may pose a danger to others (free cones are available for checkout in the HPER cage).
- Be mindful of your surroundings when biking, skateboarding, skating, etc. and be aware of other activities that may be happening in the area.

CAREER SERVICES
University Inn 102 | 435.797.7777 | career-services.usu.edu

Career Services is the link between students and successful careers. Visit your Career Coach for resources and expertise in:

EXPLORING ACADEMIC MAJORS & CAREERS
• Take assessments to identify career options that fit your skills, interests, values and personality, then meet with a career coach to have your results interpreted.
• Register for USU 1220, Career and Life Planning, to help you more fully explore career options.
IMPORTANT RESOURCES

OBTAINING STUDENT EMPLOYMENT & INTERNSHIPS

• Gain practical work experience through on or off-campus employment and internships with top employers.
• Graduate with the career-related experience employers are seeking through an internship.
• Receive pay and academic credit for relevant work experiences in your field of study.

PREPARING FOR GRADUATE SCHOOL, HEALTH PROFESSIONS, & TEST TAKING

• Discuss attending graduate school and preparing your personal statement.
• Take tests important to your post-college career including the: GRE, GMAT, MCAT, LSAT, FE, Praxis, etc.
• Select Prepare for Grad School and Take Tests under the student tab on the Career Services website to schedule exams.

SUCCEEDING IN YOUR FIRST CAREER POSITION

• Attend information sessions, career fairs, and events to make valuable contacts with employers and explore career options.
• Interview on campus with employers from a variety of industries/agencies.
• Discuss resume/cover letter preparation, networking contacts, social media, and develop your customized career search strategy.
• Utilize Career Services’ online job posting and networking system, to apply for job openings.

OLD MAIN

Back in the day, Old Main served many purposes from the gym, to classes, and even housing. The gymnasium was on the third floor, which caused a few problems. The men’s dressing room was in the basement, which meant that bare knees could be seen running the length of the building and up the stairs. After protesting the scantily clad athletes, Miss Charlotte Kyle headed the committee to raise money for the new Smart Gymnasium, which was used for several years.
Find programs focused on service, sustainability, and outreach that share a common vision of developing engaged citizens through service and civic engagement.

- **Student Sustainability**: Generate and get help with your green ideas, obtain grants to fund them, and gain knowledge and skills to take into your future through the Student Sustainability Office. Student Sustainability promotes initiatives at USU through campus awareness events and the facilitation of the Student Sustainability (Blue Goes Green) grant program. Any USU Logan campus student can apply for a Student Sustainability Grant to advance campus sustainability initiatives. The office also supports multiple internships and Aggie Sustainability, a student club that empowers students to work together to pursue sustainable goals on a local level. Learn more at usu.edu/bgg.

- **Aggie Blue Bikes**: Visit Aggie Blue Bikes (ABB), USU’s source for bicycle lending, education, and advocacy. You can check out a bike for up to 3 months free of charge! ABB also offers three bicycle tool boards that students can utilize for repairs on their personal bike. The tool boards are accompanied by ABB mechanics that will assist with any bike-related question or repair. Learn more at usu.edu/abb or call 435.797.8139.

- **Utah Conservation Corps**: Join the Utah Conservation Corps (UCC) to complete conservation and environmental education projects throughout the state. Apply for a summer AmeriCorps position with UCC to earn money for school, conserve Utah’s natural resources, and gain valuable career experience. Positions are also available with the inclusive survey crew, bilingual youth corps, and veterans crew. Learn more at usu.edu/ucc or call 435.797.0964.
IMPORTANT RESOURCES

• Educational Outreach: Work with the Cache and Logan School Districts to provide quality out of school time programs to our local elementary and middle schools through the Education Outreach. USU students are hired through the federal work study program to serve as tutors and mentors to approximately 1,100 students each day in 27 schools. To get involved email todd.milovich@usu.edu.

CENTER FOR WOMEN & GENDER
TSC 309 | 435.797.9222 | cwg.usu.edu

Visit the Center for Women and Gender to join the Perspectives Club, learn about the Women and Gender Studies Minor and Certificate, watch and listen to films and lectures on women and gender issues, check out the lending library, and learn more about the Helping Hands program. The Center for Women and Gender strives for gender equality for all! The entire staff are trained allies and a great resource for any of your gender questions or concerns.

COUNSELING & PSYCHOLOGICAL SERVICES
TSC 306 | 435.797.1012 | usu.edu/counseling

Visit with Counseling and Psychological Services to improve your personal growth, development of coping skills, mental health concerns, relationship issues, problem-solving, and career/academic adjustment. Services include individual, couples/relationship, and group therapy; outreach programs; workshops; problem-solving consultations; and psychoeducational assessments.

FAMOUS AGGIE ICE CREAM

Aggie Ice Cream was created by Professor Gustav Wilster in 1921. Eating Aggie Ice Cream has become a rite of passage on campus. Aggie Ice Cream has a 12% butterfat content, is aged slightly longer, and contains less air than most commercial brands. Which is why it tastes so good!
IMPORTANT RESOURCES

Utilize Counseling and Psychological Services if you experience any of these symptoms

- Symptoms of depression and anxiety
- Eating/body image concerns
- Social/interpersonal conflicts
- Identity issues
- Adjustment challenges
- Behavioral addictions
- Trauma/grief
- Loneliness
- Problems managing emotional reactions
- Stress

You can also take workshops that are offered throughout each semester. Specific workshops offered each semester change according to staff availability and expertise, but examples of workshop topics offered previously include: Stress Management, The Art of Happiness, Crisis of Faith, Healthy Sexuality, Body Image, Dealing with Loss, Mindfulness, Coping, Making the Most out of your Sleep, Understanding Emotions, and Healthy Relationships.

DINING SERVICES
TSC 232 | dining.usu.edu

Buy one of the many meal plans offered by Dining Services to suit any student, whether you live on or off campus. With over 10 operations on campus and more on the way, food is always close by. Get discounts by using Aggie Express or purchasing one of the many meal plans offered. Meal plans are built to fit any student’s schedule, whether you live on or off campus. For additional information, visit dining.usu.edu.

A-DAY & A-WEEK

The tradition of A-Day, or Agathon, has changed from a work project where students pruned and planted trees, built sidewalks, and generally beautified the campus, to a celebration of games and music. It has traditionally taken place in the spring. Recently, A-Day has turned into an entire week of activities run by the Student Alumni Association.
DISABILITY RESOURCE CENTER
University Inn 101 | 435.797.2444 | drc@usu.edu | usu.edu/drc

Utilize the Disability Resource Center for academic support to students with physical, sensory, learning or psychiatric disabilities. The DRC also assists students who suspect they may have a disability to receive diagnostic evaluations. If you need sign language interpreters, readers, testing accommodations, alternate-format books, or other services you should contact the Disability Resource Center to schedule an appointment with an Accessibility Consultant. Counseling services, registration assistance, assistive technology, and referral to on-campus and off-campus programs are also available.

FINANCIAL AID
TSC 106 | 435.797.0173 | usu.edu/finaid

Apply for financial aid (grants, loans, work-study), even if you don’t think you are eligible and even if you don’t want student loans. You may be eligible for more than you think, and if something happens during the year and you need financial assistance, it is easier for the Financial Aid office to help if you have an application on file.

Complete the Free Application for Federal Student Aid (FAFSA) online at fafsa.gov to apply for financial aid. The USU Financial Aid website has comprehensive information about the application process and associated deadlines. It also has information on what you need to do to make sure your aid applies to your tuition and fees, as well as answers to frequently asked questions.

WHEN APPLYING FOR FINANCIAL AID, REMEMBER THE FOLLOWING:

- Apply for your Financial Aid online at fafsa.gov
  This application is for federal grants, loans, and work-study. Students must apply yearly to requalify.
- Apply now! Some types of awards are available on a

first-come, first-served basis and some have deadlines. Applications can take as long as 4-6 weeks to process, and errors can delay this even longer.

• Check your email. You will receive notifications about your award and any pending requirements via email. Please update your preferred email address on MyUSU.
• Complete the admission process. You can’t be awarded financial aid until you are fully admitted (matriculated) into a USU degree-seeking program.
• Contact your Financial Aid counselor if you need additional assistance. See usu.edu/finaid for details.

RECEIVING FINANCIAL AID MONEY

After you have accepted your aid offer in Banner (and completed any other aid requirements), your financial aid funds will automatically apply to your tuition, fees, and USU housing if you live on campus. Any remaining funds will be sent the first day of the semester to the mailing address you have on Banner. You can receive your leftover money in a timely manner if you complete the direct deposit online application through the “Financial Aid” tab in Banner - especially if you move several times while in college.

STAYING ELIGIBLE FOR FINANCIAL AID

Financial aid comes with standards and limitations to encourage you to graduate in a timely manner. Once you have received Federal Financial Aid, you are required to maintain Satisfactory Academic Progress, meaning you have to keep your GPA above 2.0 and earn passing grades in at least 67% of the credits on your transcript. Important application deadlines are available at usu.edu/finaid/deadlines.

SCHOLARSHIPS

TSC 106R | 435.797.7171 | scholarships.usu.edu

Freshmen and transfer students are automatically considered for USU Academic scholarships when they apply for admission by the annual deadline. Additional, non-departmental USU scholarships and endowments for both new and continuing students can be applied for at usu.
IMPORTANT RESOURCES

SEXUAL MISCONDUCT & GENDER DISCRIMINATION

TITLE IX
Old Main 161 | 435.797.1266 | titleix.usu.edu | titleix@usu.edu

Gender discrimination and sexual misconduct (sexual harassment, sexual assault, stalking and dating/domestic violence) is against USU policy, and anyone concerned about such conduct can report it to the Title IX office.

REPORTING
Students are encouraged to report instances of sexual misconduct or gender discrimination to USU’s Title IX Coordinator in Old Main room 161 or online at titleix.usu.edu

More information about campus resources for preventing, responding to, and reporting sexual misconduct are available at usu.edu/sexual-assault.
IMPORTANT RESOURCES

SUPPORT SERVICES & ACADEMIC ASSISTANCE
If you’ve experienced gender discrimination or sexual misconduct, Title IX provides accommodations to help you stay in school. These measures could include referrals to counseling and support, access to academic accommodations, changes in housing and work schedules, and others as needed. Contact USU’s Title IX Coordinator for more information.

SEXUAL ASSAULT PREVENTION
Utah State University works to educate students about ways to prevent sexual violence and harassment and to inform students about reporting procedures and available resources.

All incoming students are required to go through online Sexual Assault Prevention and Alcohol EDU programs. Together these programs educate students about sexual violence and excessive alcohol use and its impacts on the entire campus community.

UPSTANDING BYSTANDER INTERVENTION TRAININGS
upstander.usu.edu

USU offers a bystander intervention program to empower students to prevent sexual violence and other harms in the campus community. This 2-hour training prepares students with the skills and knowledge to safely and effectively intervene when they sense a threat or potential harm to another. Student groups or classes can request a training at upstander.usu.edu or join an open Upstanding course. Upstanding was created by the Violence and Injury Prevention Program at the Utah Department of Health.

AMNESTY
Like many other universities, USU has an amnesty policy to ensure students seek immediate medical attention or law enforcement assistance for themselves or for another. USU offers amnesty for drug and alcohol student code violations.
IMPORTANT RESOURCES

in certain circumstances. If you seek medical attention for yourself or another person or report an incident of sexual misconduct to the Title IX Coordinator, in good faith, you will not be subject to disciplinary action for a separate university policy violation, such as underage drinking.

SEXUAL ASSAULT & ANTI-VIOLENCE INFORMATION (SAAVI)

Taggart Student Center 311 | usu.edu/saavi | saavi@usu.edu
435.797.7273 (crisis hotline and general information)
8 am – 5 pm; Extended Hours Tuesdays and Thursdays until 6 pm (walk-in appointments are welcome)

SAAVI provides safe, confidential advocacy, short-term counseling, and information about sexual assault, rape, dating and domestic violence, stalking, hazing, and other interpersonal violence. When students seek services through this office, their information is kept confidential, but non-identifying information about incidents are shared with USU’s Title IX Coordinator to determine areas of concern.

SAAVI services are available to USU students, faculty, and staff; women and men; and both primary survivors and secondary survivors.

AWARENESS EVENTS AND CAMPAIGNS

Invite SAAVI to present prevention education to your clubs or classes. They also host campus events to increase awareness of sexual violence, including Red Zone, The Clothesline Project, and Walk-a-Mile-in-Her-Shoes. Volunteer to help with an event, especially if you need hours for class projects or experience for resumes.
IMPORTANT RESOURCES

STUDENT INVOLVEMENT & LEADERSHIP CENTER

TSC 326 | 435.797.2912 | ususa.usu.edu

Find involvement and leadership development opportunities through student government positions, volunteer opportunities, leadership building, diverse programs, and activities. The following areas are overseen by this office:

• Utah State University Student Association (USUSA): USUSA Student Government’s sole purpose is to serve the students at Utah State University. The Student Government serves as a liaison between students, staff, faculty and administration. USUSA has four bodies: Executive Council, Regional Campuses Executive Council, Academic Senate, and the Student Event Board. All these groups have weekly meetings, and students are encouraged to attend.
IMPORTANT RESOURCES

• Clubs and Organizations: USU sponsors more than 100 student-run clubs and organizations. Through active involvement in these organizations, students learn important leadership and management skills from their peers. From honorary societies to intramural sports, the possibilities are endless. If you don’t find one you like, you can also start your own. See a current list of clubs at ususa.usu.edu/clubs.

• Spirit Squad: Through motivating, inspiring, entertaining, and generating crowd enthusiasm at Utah State athletic events, alumni events and community appearances the USU Spirit Squad supports the Athletics Department mission. They promote Aggie pride through service, traditions, and activities throughout the University and community. The Spirit Squad is composed of the Aggiette Dance Team, Co-Ed Cheer Squad, and the University mascot–Big Blue.

• Fraternities and Sororities: For over 150 years, Fraternities and Sororities have enhanced college life through service, academics, leadership, campus involvement, and growth. With 11 fraternities and sororities at USU, there is a way for everyone to get involved in Fraternity and Sorority Life. Find out more information by attending the recruitment events in the fall.

• Student Media: Multiple student-run media organizations fall into the category of student media, including the Utah Statesman newspaper, Aggie Radio 92.3 KBLU

THE ROBINS AWARDS

The Robins Awards, the most coveted of all Utah State University honors, are given in a prestigious ceremony once a year. Robins Awards are named in memory of 1949 student body president William E. Robins. He was killed with his wife in a 1954 plane crash. Members of the Sigma Nu Fraternity started a scholarship fund for their one-year-old son, who later died of leukemia. The fraternity used the fund to start the prestigious Robins Awards tradition in his honor.
IMPORTANT RESOURCES

low-power FM radio station, sales and marketing team and multiple digital and specialty magazine and print products. Our student media programs are operated entirely by students. They exist to inform, educate, and entertain both the students of USU and the surrounding community. Look at the Aggie Radio and USU Statesman sections of this book for more information.

• The HURD: AKA the Aggie Student Section. As a student, you have full access to any regular season home athletic event with your Student ID card. Upon entry into USU athletic venues, you are automatically a member of the HURD. The HURD has been described by ESPN, NIKE, Ballin is a Habit, Fox Sports, and many other national news outlets as one of the best student sections in the country.

• Aggie Blue: Aggie Blue is USU’s ultimate leadership experience! Through the interactive conference, you will transition into campus life, define your personal values, understand leadership concepts, and develop networks which will aid you through your college experience.

STUDENT NUTRITION ACCESS CENTER (SNAC)

TSC 333 | snac@usu.edu

The Student Nutrition Access Center (SNAC) is supported by the Cache Community Food Pantry, Utah Conservation Corps garden, the USU Student Organic Farm, and the USU Food Recovery Network. SNAC provides food assistance to students, no questions asked. Learn more at servicecenter.usu.edu/programs/snac.

STUDENT SUPPORT SERVICES

University Inn 103 | 435.797.3372 | sss.usu.edu

Student Support Services is a federally-funded TRIO program for students with academic need who meet at least one or more of the following criteria: 1) low income, 2) first generation college, and/or 3) documented disability.
IMPORTANT RESOURCES

Wide ranging academic support includes academic advising, course selection, one-on-one learning coaching, financial aid information and guidance, tutoring, reading and study skills enrichment, tuition-free classes (USU 1730, USU 1750, Math 0995, Math 1050, Stat 1045), small sections of math and stats limited to 15 students, graduate school application information and assistance, economic literacy information, among others. Participation is selective through an application process.

STUDY ABROAD

Military Science 118 | 435.797.1124 | globalengagement.usu.edu

When are you planning to study abroad? Located within USU’s Office of Global Engagement, the Study Abroad team helps students explore the range of affordable program opportunities for study all over the world for a semester, academic year, or summer term. Through planning with their academic advisor, students can earn credit toward graduation requirements during their study abroad. In many countries, students can study courses in English or have the opportunity to build language skills. USU financial aid and scholarships apply nearly 100 percent of the time, and students can also apply for other scholarships specifically for study abroad.

USU offers a few different options for students to study abroad. Depending on the length of time you’d like to spend, your budget, and your educational goals, there’s a study abroad program for you!

FACULTY-LED PROGRAMS

Join USU faculty for short-term programs all over the globe! Faculty-led programs may be between 10 days and 8 weeks, and all offer USU coursework, enhanced by the destinations and hands-on learning of study abroad. Programs recently offered include studies of the Mediterranean diet in Greece, an introduction to coral reefs in Australia, and reading British literature in England, just to name a few!
IMPORTANT RESOURCES

EXCHANGE PROGRAM
USU has partnerships with universities around the world and is affiliated with the International Student Exchange Programs (ISEP) network that offers summer, semester, or year study abroad exchange programs for USU students. The exchange arrangement allows students to pay tuition and fees directly to USU, and students exchange places with incoming exchange students from partner and/or ISEP universities. This model ranks as one of the most affordable options for study abroad.

DIRECT PROGRAMS
In addition to our exchange partners and the ISEP exchange program, USU students may also choose to study with direct study abroad providers. These programs offer opportunities for study, service learning, or internships. Program fees are set by each provider, and there are numerous options for semester, academic year, or summer study abroad.

SUSTAINABILITY - BLUE GOES GREEN
GET INVOLVED:
• Join the Students for Sustainability Club.
• Intern with the Student Sustainability Corps.
• Leave a legacy with a Student Sustainability Grant.
• Share a ride at zimride.com/usu.
• Check out EcoHouse as a housing option at usu.edu/housing/theme-housing.

STUDENT SUSTAINABILITY GRANTS
Utah State University believes in the power of students to make a difference. Leave your legacy! Funding is available each semester for projects that impact energy use, waste, water use, green building, environmental education, or other sustainability considerations. All USU undergraduate and graduate students on the Logan campus can apply for a grant. Visit usu.edu/bgg for details.
IMPORTANT RESOURCES

SUSTAINABILITY COUNCIL

USU POLICE
Public Safety Building | 435.797.1939 | www.usu.edu/dps

Utah State University has its own police department to better serve the campus community. USU police officers are state-certified, meaning they have the same authority as other police officers in the state.

The USUPD also staffs a 24-hour dispatch center to assist in an immediate response to a call for assistance. This center monitors a university-wide 911 system for the reporting of all emergencies on campus.
IMPORTANT RESOURCES

Call 435.797.1939 for:

• Free motorist assists on campus (jumpstarts, lock-outs, etc.)
• Free on-campus safety escorts to parking lots and campus buildings
• Fingerprinting for students or anyone seeking state or teaching licensure

LOST & FOUND

Visit the Public Safety building or call anytime at 435.797.1939 to check if your property has been turned in. Not all found items are turned in to the Police. The USU Department of Public Safety receives lost and found items on a regular basis.

Each building will generally also have its own lost and found. You should check with staff and custodial services in the building where you may have lost your property. If you believe you left something on an Aggie Shuttle bus check with Parking and Transportation Services at 435.797.3414.

CODE BLUE EMERGENCY ALERT

Receive information about emergency situations on campus through the USU Emergency Alert Messaging System. To sign up to receive email, text, and phone messages: Log in to my.usu.edu, click on Banner, then click on Update Emergency Alert. Signing up will allow you to receive emergency notification of:

• Threats to personal safety
• Fires
• Snow closures
• Evacuations
• Severe weather
• Building closures

CRIME STATISTICS

hours of any open-access computer lab—staying open until 1:45 a.m. Monday-Thursday.

UR GRAPHICS LAB (UR 101)
The UR Graphics lab in the University Reserve Building is located on the first floor. This lab has three rooms of Mac computers with special multimedia, graphic design, and music software/hardware. The UR also has a large-format color laser printer and copier and photo printer. The Multimedia Center (MMC) is located across the hall from the main UR Graphics Lab. The MMC has large-screen iMacs, large tablets, and special multimedia and graphic design software.

BUSINESS COMPUTER LABS (BUS 107, 113, 118)
Visit the business computer labs, located in the basement of the George S. Eccles Business Building.

ENGINEERING COMPUTER LABS (ENGR 301, 305, 307)
Come by the Engineering Computer Labs in the Engineering Building. There is an open access lab with computers for student use.

EED COMPUTER LAB (IS 119)
Visit the EED Computer Lab in the Industrial Science building located on the main floor. This computer lab has both a standard laser printer and a large format color plotter for larger prints. It also has all of the latest software for drafting (i.e., Autodesk).

OLD MAIN COMPUTER LABS (MAIN 229)
Work on homework in the Old Main Computer Labs, located on the second floor of the most historic building on USU campus.

TAR LAB (ESLC 131)
Stop by the TAR Lab in the Eccles Science Learning Center (ESLC) which is north of Old Main and south of the Taggart Student Center (TSC) on the first floor in room 131.
YOUNG EDUCATION TECHNOLOGY CENTER (EDUC 170)
Use the YETC as a resource center in the Emma Eccles Jones College of Education and Human Services. It houses open-access computer facilities, a K-12 curriculum materials library, a NASA Educator Resource Center, and a multimedia center with a collection of educational technology products.

PRINTING
Print in any IT Computer Lab! They are equipped with both black-and-white and color printers. Black-and-white prints cost 7 cents per page, and color prints cost 20 cents per page. Double-sided pages are 10 cents for black-and-white and 34 cents for color. Ask a consultant for assistance, and he or she will be happy to help you.

PRINT FROM YOUR LAPTOP OR DESKTOP COMPUTER
Print to lab printers throughout campus from your laptop or personal computer. This service will work from any Windows or Macintosh computer connected to Blue Zone that has the client installed. Go to campusprint.usu.edu to download USU’s print driver on your personal computer.

EXPRESS PRINT STATIONS
Try the “Express Print Stations” in the Library and Taggart Student Center (TSC) computer labs, where you can quickly print from a flash drive or your email account.

SERVICE DESK
The IT Service Desk is located in the Janet Quinney Lawson (JQL) building. Find support for most technical issues including: passwords, Aggiemail accounts, Access/Banner, Canvas, networking and connectivity, and issues with commonly used software. It’s USU’s hub for technical computer assistance; they have extensive knowledge on software and hardware. More information at it.usu.edu. They also offer a full hardware repair and diagnostic center with Dell, Apple, and HP certified technicians and Apple, HP, and Dell warranty work.

SERVICE DESK HOURS FOR SUMMER
435.797.HELP
Monday-Thursday: 8:00 a.m. - 6:00 p.m.
Friday: 8:00 a.m. - 5:00 p.m.

FILE SHARING
File sharing can be a serious offense. Programs (games), databases, audio files (songs), and video files (movies) created by others are automatically protected by copyright. You should not acquire or distribute these works without complying with the owner’s licensing terms. You may not operate on the campus network any service that provides files for which you do not have authorization. For more details, see the Digital Millennium Copyright Act (DMCA). Violations of DMCA will result in access being disabled, reconnect fees, and the University may take other actions.

WIRELESS (BLUEZONE)
Use Utah State’s wireless network, Blue Zone. With 100% wireless coverage inside academic buildings and significant outside coverage across campus, the goal is to accommodate your internet needs. For further information, go to it.usu.edu.

REGISTER YOUR COMPUTER ON THE USU NETWORK
Register your computer on the USU network by visiting bluezone.usu.edu. Utah State University offers wireless internet connections for all students. Wired (Ethernet) connections are available for students living in on-campus housing. For further assistance please contact the IT Service Desk at 435.797.HELP or visit them in JQL 101, across from the education building.
INFORMATION TECHNOLOGY

CANVAS
Use Canvas to manage your online courses and many of your face-to-face courses. To determine if Canvas is used, check with your instructors or review the syllabi for each class.

LOGGING INTO CANVAS
Go to canvas.usu.edu. For connection or login issues, including username and password problems, please contact the IT Service Desk at 435.797.HELP or toll free at 877-878-8325. For content issues, broken links, or other course-related issues, please contact your instructor. Most of your classes will not appear in Canvas until the first day of class. Be aware that not all courses use Canvas.

AGGIEMAIL
Utilize your free Aggiemail account, a web interface for USU email powered by Google that remains active even after you graduate. For further details see it.usu.edu or contact the IT ServiceDesk.

PARKING
Parking and Transportation Services welcomes all visitors and new students to campus. Visitors are encouraged to park in the Big Blue parking structure or the Aggie Terrace. Day passes are also available through the Visitor Information Center, located at 600 N 700 E. USU parking regulations are in place to help make life a little easier for everyone as we navigate our way in the campus community.
TRANSPORTATION

PARKING PERMITS

- Parking permits are required during the hours posted in each parking area.
- Please display your permit so that it is clearly visible hanging from the rear view mirror.
- Permits are mandatory for all parking lots on campus, or pay by the hour.
- Parking permits are the property of Utah State University and may not be transferred from one student to another.

Students living off campus have three permit options:
1. A **Blue** permit allows parking in the central and surrounding campus area.
2. A **Yellow** permit allows parking at the Stadium and below Old Main Hill. *You will be required to move for home football games.*
3. An **Aggie Terrace or Big Blue Terrace** permit allows parking in the respective structures, if available.

Overnight parking is not allowed for student commuter permits.

Purchase your permit online at [parking.usu.edu](http://parking.usu.edu).

Students living on campus: Purchase a permit to park in the area adjacent to your respective residence. These permits are required, and are valid for the residence area specified as well as all Yellow parking areas.

METER PARKING

Find short-term parking or metered parking areas throughout campus. These areas are designed to facilitate quick access to an area for tasks that are short in duration. Meters are enforced at various times, depending on the location. Each meter or pay-and-display machine has the detailed information.

LOST OR STOLEN PERMITS

Report a lost or stolen permit immediately to the Parking Office. A replacement permit will be issued upon completion.
TRANSPORTATION

of a Lost/Stolen Permit Report. The first replacement is $5, and subsequent replacement permits are assessed at the cost of the original permit. Use of a lost or stolen permit by anyone will result in a $100 fine and vehicle impoundment.

MOTORCYCLES
Park in the specially marked motorcycle parking areas throughout campus. Motorcycles must have permits and must be parked only within designated areas. Automobiles may not use motorcycle parking areas, and motorcycles may not use automobile spaces except at paid meters. No motorcycles are allowed in the parking terraces.

LOGAN CITY PARKING TIPS
Parking is restricted on any city street between 1:00 a.m.–6:00 a.m. from November 15 to March 1, regardless of snow conditions. Most of the residential streets by campus are restricted to resident parking only, so make sure you check street signs before you park.

SUSTAINABLE TRANSPORTATION
The mountains that make Cache Valley so uniquely beautiful also present challenges with air quality, especially in the winter months. Luckily, there are several ways to limit air pollution, especially on days when air quality is red or yellow as indicated at air.utah.gov. Go to usu.edu/commuter for more information.

ZIMRIDE
Carpool using your social network to help you find rides with people who have similar interests and schedules. Use it one time or for an everyday commute. Zimride is a network exclusive to USU students, faculty, and staff only. Join the over 7000 people who have already signed up to split gas money and find parking a bit easier. In seconds, you can:

1. Set up a profile at zimride.com/usu
2. Search for open seats.
3. Post a ride or carpool of your own.
TRANSPORTATION

AGGIE SHUTTLE (PARK AND RIDE)
Get to campus the most economical way, for free! The Aggie Shuttle operates five routes starting at 7:00 a.m. Monday through Friday, and one evening route operated from 5:30 p.m.-9:00 p.m. Monday through Friday. Track the Aggie Shuttle on your phone at aggiebus.com.

CACHE VALLEY TRANSIT DISTRICT (CVTD)
435.752.2877 | cvtdbus.org
Utilize one of the nation’s most extensive zero-fee bus systems. The CVTD will transport you from one end of Cache Valley to the other, for free.

BIKING ON CAMPUS
Bicycling is one of the best means of commuting to and around campus. Not only is it good exercise, but it also helps the environment and reduces traffic congestion at USU. As you commute by bicycle, there are several important rules of the road you need to know to ensure your safety:

• Always ride with the direction of traffic on the right side of the road.
• When operating on roadways, bicycles are subject to traffic laws.
• Obey all traffic signs and signals.
• Yield to pedestrians.
• Use the roadway instead of roadside sidewalks. If you must use your bike on a sidewalk, ride at walking speed or walk with your bike during class breaks.
• Signal your intentions. Make eye contact with car drivers.
• Be aware of your surroundings, and watch for others who might be recreating or using equipment in the area.
• Park your bicycle in designated areas only.
• Always wear a helmet.
DON’T HAVE A BIKE?
Use your student ID card to check out a free bike at Aggie Blue Bikes, located between the Fieldhouse and the Military Science building. They also have a tool board and expertise to help you maintain your bike.

BIKESHARE
USU has a new bikeshare program call Spin. Check out a bike in 30-minute increments to get to class, the grocery store, Aggie Ice Cream, or anywhere. These bikes are fun!
1. Download the app by searching “Spin Bikes” on the app store. Sign up with your .edu email address and set-up your payment.
2. Pull up the app and locate a bike nearby.
3. Scan the QR code on the bike to unlock it.
4. Start your ride.
5. Lock the bike on an existing bike rack.

Laboratory exams are to be given during the hour assigned on the test period schedule. Finals for 4-credit and 5-credit classes will be given according to the MWF schedule. If class does not start at the time listed above, the final will be given at the closest previous time.

**EXCESSIVE FINALS ON ONE DAY**

Students who have three or more finals scheduled during one day and who desire to have one of those tests moved to another day during the final exam period must: (1) obtain a copy of their official registration that is dated no more than 7 days prior to the beginning of the first test day, and (2) seek permission from one of the instructors to change the hour of their final examination. Adverse decisions from all instructors may be appealed through the deans of the colleges involved.

**USU NOTICE OF NONDISCRIMINATION**

In its programs and activities, Utah State University does not discriminate based on race, color, religion, sex, national origin, age, genetic information, sexual orientation or gender identity/expression, disability, status as a protected veteran, or any other status protected by University policy or local, state, or federal law.
