This is a sample plan. It outlines University and major requirements in very general terms. While there are requirements that are sequential, many are flexible and do not need to be completed exactly in the order listed. Students should always check with their faculty and professional advisors to be sure they are meeting the requirements appropriately. In addition, students should refer to the Music Department's *Student Handbook* and *Music Therapy Addendum to the Handbook*. To make an appointment with a professional advisor, call (435) 797-3883.
