

Special Education Major, Severe Disabilities and Early Childhood Special Education Emphasis Plan

This is a model of the requirements and possible sequence of courses for students enrolled in this emphasis through the Department of Special Education and Rehabilitation. However, students may progress through the program or have more flexibility if they have high ACT scores, CLEP credit, concurrent enrollment credit, AP credit, and/or transfer credit; or if they attend during summer semesters.

Students should consult with their advisor to develop a plan of study tailored to their individual circumstances.

Freshman Year (31 credits)

Fall Semester (15 credits)
