

# Cosmetology, AAS, CC

**Department:** School of Applied Sciences, Technology and Education

**College:** College of Agriculture and Applied Sciences

## Overview

### About This Degree

The Cosmetology program at USU Eastern is the only program in the state of Utah where students receive 100% of their instruction face-to-face with instructors. Students who complete this program are prepared to take the State Board Exam to become a Licensed Cosmetologist.

During the program students gain experience in Cosmetology, Barbering, Nails and Skincare. Students also prepare a portfolio that they can use as they interview for employment. All graduates of the Cosmetology program are prepared to work in a full service salon

Students may also choose to complete the Nail Technician program in addition to the Cosmetology program. The Nail Technician program requires an additional 300 hours.

## Career Options

With a degree in Cosmetology many jobs will be open to you including:

- Hairstylist
- Colorist
- Nail Technician
- Educator
- Make-up Artist

You may choose to work in an independent salon, a spa salon, a national franchise or an independent chain.

## What it takes
