

Accounting/Management Information Systems, CC

Department: School of Applied Sciences, Technology and Education

College: College of Agriculture and Applied Sciences

Overview

About This Degree

A Certificate of Completion in Accounting from USU Eastern may be completed with two full semesters of course work. With a minimal number of additional courses, this certificate affords students a specialization in key business-related skills, as well as satisfies the computerized accounting requirement of many real-world jobs.

Career Options

Students who complete the Accounting certificate are qualified for the following jobs:

- Bookkeeper
- Accounting Assistant

What it takes

Major Requirements
