- You must be fully admitted to USU and have a complete financial aid file before receiving any summer aid.
- You must be in good standing (Pace & GPA) to receive a summer financial aid offer prior to summer semester.
- **Students on financial aid warning or probation cannot receive a financial aid offer prior to summer semester. After spring 2015 grades are posted, students may contact our office to see if they are still eligible for summer aid.**
- If you are currently ineligible for summer aid you will receive a notification by email.
- Award notices will be emailed to your preferred email account listed on my.usu.edu.

**Please complete the following:**

Did you attend **any other** colleges or schools besides Utah State University since July 2014?  

| Yes | No |

Check below if you are interested in:

- Student Loans (Students must maintain 6 credits summer semester.)

How many credits do you plan to take summer semester?  

**Pell grants will be offered to eligible students. Generally students can only receive remaining Pell grant eligibility if they were not enrolled full-time fall 2014 and spring 2015.**

- Student loans are awarded if you did not receive the maximum amount allowed for the 14-15 year.
- Grants will increase and decrease based on enrollment the entire summer term.
- Allow 2 weeks for processing – summer aid cannot disburse until after April 27, 2015.
- **Financial aid refunds will take an additional 3-5 working days after disbursement.**
- Your summer financial aid offer may be modified at any time. (See below)

**There are special rules for students who drop summer courses while receiving financial aid:**

Summer semester is divided into different sessions. You may have courses in more than one session. If you receive financial aid at the beginning of summer term, you will have not established eligibility until you begin participating academically in each of your courses. If you do not complete those courses you will be required to repay some or all of your financial aid.

- I understand that I will have to return summer financial aid if I do not establish eligibility by participating academically in all my courses. (Academic participation must be verified by the instructor.)
- Even after establishing eligibility, I understand that if I drop, withdraw from, or fail any summer courses, I may be required to pay back some or all of my summer financial aid.
- I understand that if the school cancels courses, I may be required to return some or all of my summer financial aid unless I can add another eligible course.
- I understand the returned financial aid must be repaid to USU before I can register for future terms, receive my academic transcript, etc. I understand that failure to repay USU may result in collections and garnishment.
