Faculty Senate

Utah State University, in its Code of Policies and Procedures, establishes for itself a system of shared authority or participatory governance. In this system, the Faculty Senate – comprised of elected and ex officio faculty, appointed administrators, and appointed and ex officio student officers – occupies a central position.

“The Faculty Senate shall have the power to act for the represent the University faculty in all matters of educational policy, including requirements for admission, degrees, and certificates, and curricular matters involving relations between colleges, divisions, or departments. Actions of the Senate shall be subject to the appellate power of the University faculty and to the approval by the President and the Institutional Council.”
