**Incomplete Grade Policy and Academic Probation Policy (Proposed Addition)**

A student who is on academic probation and receives an incomplete grade may register for a maximum of one subsequent semester, provided his or her other grades do not cause the student to be placed on academic suspension. A Registrar's Office hold will then be placed on the student's record, preventing him or her from registering for a second additional semester. Additional registration holds may be placed on a student's record by an academic advisor. The Registrar's Office hold will not be removed until the incomplete grade is changed to a letter grade. If the resulting grade does not cause the student to be placed on academic suspension, the Registrar's Office hold will be removed. Other registration holds, such as an advisor hold, will need to be removed by the office placing the hold.
