Information Items for Consent Agenda

Bookstore Committee
Jan Alm presented the Bookstore Committee report. Stephen Bialkowski moved to place the report on the consent agenda. The motion, seconded by Rob Morrison, passed. Jan suggested that the policy on selecting the Bookstore Committee be changed to include three senators instead of 2. This would allow the chair to have some experience. Janis Boettinger asked Jan to send the proposed changes to Christina Palmer to distribute to the appropriate committee.

EPC Business
Joyce Kinkead presented the EPC business, which included the following action items: 1) Request to delete the approval of the composite majors of Secondary Education/Special Education-Mild/Moderate and Secondary Education/Special Education-Severe from the College of Education and Human Services (these will be dual majors). 2) Request to offer Bachelor’s degrees and a minor in Religious Studies, 3) Request to establish a Creative Writing Emphasis within the English Major, and 4) request to dissolve the Distance and Electronic Education (DEED) Subcommittee of EPC. The Educational Policies Committee feels that there are existing committees that are working on the issues that DEED was originally charged with. Derek Mason moved that action items 1-3 be placed on the consent agenda. The motion, seconded by David Luthy, passed. Stephen Bialkowski moved the oversight of the online course evaluation issue be forwarded to the Faculty Evaluation Committee. The motion, seconded by Shawn Olsen, passed. Promotion Advisory Committee 3 yrs After Tenure
Ronda Callister presented the Promotion Advisory Committee 3 years After Tenure Proposal. There is concern that after faculty reaches tenure, there is no guidance in being promoted to full professor. Stephen Bialkowski moved that the proposal be placed as an information item along with summary of Advance’s data as rationale behind the proposed policy change. The motion, seconded by Derek Mason, passed.

Special Development Leave for Lecturers
The Special Development Leave for Lecturers proposal was addressed under “Other PRPC Business”. The PRPC committee will look at Policies 360 and 400 to determine if lectures are included in development leave. They will make recommendations to the FSEC.

Ombudsperson on P&T Advisory Committee
The original proposal (December 2000) was not passed as a code change. There was discussion if this proposal should be a resolution from the Faculty Senate or a code change.
