FACULTY SENATE EXECUTIVE COMMITTEE MINUTES
JANUARY 18, 2011 3:00 P.M.
Champ Hall Conference Room

Present: Vincent Wickwar (Chair), Scott Bates (for Renee Galliher), Steve Burr, Byron Burnham, Doug Jackson-Smith, Glenn McEvoy, Pam Miller, Nick Morrison, Mike Parent, Flora Shrode, Nathan Straight, Blake Tullis, Dave Wallace, Ralph Whitesides, President Stan Albrecht (Ex-Officio) (excused), Provost Ray Coward (Ex-Officio), Ed Heath (Past President), Joan Kleinke (Exec. Sec.), Marilyn Bloxham (Assistant) Guests: Jennifer Duncan, Nat Frazer, Brent Miller, Bob Parson, Larry Smith, Eric Worthen.

Vincent Wickwar called the meeting to order at 3:00 p.m.

Approval of Minutes
Glenn McEvoy made a motion to approve the minutes of December 13, 2010. Motion was seconded by Ed Heath and the motion passed unanimously.

University Business - President Albrecht and Provost Coward.
All the regional campus advisory boards met with President Albrecht in Park City earlier in the day. President Albrecht is very pleased with the leadership and accomplishments of the regional campuses. Budget issues continue to be a concern for higher education nationwide. The President cautioned the FSEC members to not be discouraged at the beginning of the legislative session, as he is confident that the final budget will not be what is initially proposed in the legislature. There will be several issues that will impact USU during the legislative session and the President will keep the Faculty Senate updated on them.

Announcements – Vince Wickwar.
The next Brown Bag Lunch with the President will be Tuesday, January 25, 2011 from 12:30 – 1:30 pm in Champ Hall.

Information Items
What USU Is Doing About Air Quality - Nat Frazer. The issue of air quality in Cache Valley was raised in the November Faculty Forum. Nat Frazer is Chair of USU Sustainability Council. The Sustainability Council has released a USU Climate Action Plan, but due to the length of the report only pages 7-11 were discussed. Forty-four percent of emissions on campus are due to student and faculty commuting, this percentage includes air travel. Air travel was factored in by using travel authorization records in the USU Travel Office. All data calculations are for USU as a whole and are not confined to the Logan campus. The real issue of air quality comes down to individual decisions. There is a lot that individuals can do, e.g.: cut commuting, use the bus system, use Aggie Blue Bikes etc. The University has a "no idling policy" and is working with the Logan City Council to adopt an even stronger policy for the city. The next step would be to launch an educational campaign on campus. A study on the use of refrigeration units on campus is being conducted by a group of students. They want to determine the annual power consumption costs and see if there would be savings in electrical costs and carbon emissions if the units were replaced with more energy efficient models.

Byron Burnham made a motion made to place this report on the March Faculty Senate Agenda as an information item. The motion was seconded by Dave Wallace and the motion passed.

Research Council Annual Report – Brent Miller. This will be Brent Miller’s final presentation to the Executive Committee as he is stepping down in July 2011 for a sabbatical leave. Brent highlighted a few of the major items covered this year including the $200 million goal for external research funding. Each college dean was consulted and individual college goals were rolled into the $200 million for the entire university. USU seed funding programs have been reworked over the last couple of years and Jeff Broadbent is directly responsible for this program with representatives from each college. Last year, $254,000 was directly spent on seed grants. Proposals coming from these grants led to 9.2 million in external funding. This proved to be a good investment. The Proposal Writing Institute is in its second year, working with about a dozen faculty for one week in the
summer. Undergraduate research continues to be very active. The number of people involved in Research week continues to increase. Research week will be held in March and April this year. The Research Office is working more closely with Deans and Department Heads to review commercial research projects and help them make decisions on whether projects should move forward or not. This is being done because in some cases faculty have begun research projects when the funding was not completely in place, and then the expected funds did not come, thus creating a liability for the university.

Ed Heath made a motion to place the Research Report on the consent agenda, Nick Morrison seconded and the motion passed.

**Bookstore Report – Eric Worthen/David Parkinson** – Eric Worthen presented the annual Bookstore Report. The textbook adoption deadlines have been moved up considerably because of the Higher Education Opportunity Act (HEOA) of 2008. To satisfy this federal law, course books now have to be chosen and listed approximately six months in advance.

The URL for this act is at:

The Registrar’s Office has held up listing some courses in Banner until the textbook information becomes available. The Bookstore and Registrar are cooperating to find a way to make the courses available in Banner sooner. The Bookstore has changed the way they shelve textbooks. The new system places books alphabetically by author, rather than by course. This saves shelf space so that books used in multiple courses only require one shelf location rather than several. There are kiosks near the entrance where students can print their required textbooks alphabetically by author and progress through the store in order, ending at the check stands. Once the students have learned and understood the system, it seems to work well. There is a continued effort to coordinate with RCDE and CEU. The backpack racks outside the store have been eliminated in part due to reports of theft of items off the racks.

A motion to place the report on the agenda as a consent item was made by Ed Heath and seconded by Nick Morrison. Motion passed.

**Old Business**

**Tenure-Review Timetable – Ed Heath.** This proposal is intended to strengthen the promotion and tenure review process by having reviews in the 2nd and 4th years instead of the 3rd year. The 2nd year review would make it easier to filter out questionable candidates. It may be extra work for some administrators. This proposal comes out of the NWCCU recommendation to improve the evaluative role of the tenure advisory committee. Ralph Whitesides indicated that the feedback from his department has been very negative and there is the perception that this would be much more work for the candidate. Feedback from the Deans is that they would like it codified so that they would be able to write letters to the candidates earlier in the process. Many Deans are having regular pre-tenure reviews with faculty. However, verbal exchanges are not always mutually understood. This proposal could leave the 4th year review later in the semester because the candidate will receive a terminal year regardless of the decision. Vince Wickwar said he would look into sending this to AFT and/or forming a special committee to explore this issue.

**New Business**

**EPC Items – Larry Smith** The Curriculum subcommittee and the EPC met on Thursday, January 13, 2011. Their agendas were brief. The curriculum subcommittee approved 40 requests for course actions and the Registrar John Mortensen presented a spreadsheet reflecting a common course list for USU and CEU. That list was approved. The Academic Standards Subcommittee recommended a language change for the general catalog that makes the requirements for a second bachelor’s degrees explicit. In practice students were held to requirements that did not appear in writing in the catalog. Student's first bachelor's degree must come from a regionally-accredited college/university or an international college/university from an institution listed in a database approved by the Office of International Students and Scholars. The policy change also included what needs to be done if the students have not satisfied the requirements for Communications and Quantitative Literacy from their first bachelor's degree. The General Education Subcommittee also dealt with a course approval and a syllabus approval.

A motion was made by Glenn McEvoy to place this report on the Consent Agenda, the motion was seconded by Ed Heath. The motion passed.
FDDE Funding Proposal for HERI Faculty Survey – Jennifer Duncan. FDDE has been looking into ways to carry out its charge. As part of this, the committee had discussed several options for collecting data from faculty. FDDE would like to survey the faculty using the national HERI Faculty Survey instrument, as had been done three times previously, along with an additional 20 questions added that are USU specific. This was brought forward now because of the timing of the next HERI Survey. Vice Provost Flores-Niemann suggested to the FDDE committee that the proposal be taken to Vice President James Morales for funding by a grant from the Diversity Council. Jennifer asked the FSEC for their endorsement to take the proposal to the James Morales council. Provost Coward questioned whether past USU response rates for the HERI survey elicited accurate data. The response rate in 2004 was 46.2% and in 2008 it was 32.8%. Doug Jackson-Smith suggested doing an in-house survey instead. After some discussion of the issues, Steve Burr suggested that it be put on the agenda as New Business and let the Senate discuss the response rates.

Glenn McEvoy moved to put the item on the agenda as New Business, Ed Heath seconded and the motion passed.

Glenn McEvoy moved to support the idea that FDDE pursue a survey to gather data that would be helpful in making decisions. Ed Heath seconded and the motion passed.

[After a subsequent meeting of Jennifer Duncan, Vince Wickwar, Vice Provost Flores-Niemann, and Provost Coward, it was concluded that the low response rate to the HERI Survey and the incompatibility of USU with the group of participating colleges and universities made it unclear what would be gained by participation in the survey. It would perhaps be better to consider mining the data already available in the Analysis, Assessment, and Accreditation office. Therefore this item was not included on the final agenda for the February 7, Faculty Senate meeting.]

PRPC Items Section 402.10 - 402.12 – Bob Parson. The proposed changes in this section are mostly the result of the Code Review Committee’s (the Kras Committee’s) feedback from three years ago. They do not address the changes necessary for integrating USU-CEU, which are being reviewed by a separate committee. A significant update in 402.10 (3) had the phrase “Ballotting shall be by mail” replaced by “Voting shall be by email, paper, or electronic ballot”. Glenn McEvoy questioned a portion of section 402.12.1 (2). Members of the Faculty Senate Executive Committee include ex-officio members (the Provost and the President). Do these ex-officio members have a vote? That is up to the organization, and this section of the code explicitly says that they do have the vote. In addition, there was discussion about how to speed up the code review process in PRPC and whether to combine the Kras Committee’s suggestions with the USU-CEU Code Committee’s suggestions or whether to suspend work on the former until those from the latter had been examined. Other ideas for speeding up the process were solicited.

Glenn McEvoy moved to place these code changes as an Action Item for a first reading on the Senate Agenda and Doug Jackson-Smith seconded. The motion passed unanimously.

Adjournment

Vincent Wickwar asked for a motion to adjourn the meeting. The meeting adjourned at 5:04 p.m.

Outline of Meeting Facts and Discussions:
At the September meeting, the BFW Committee prioritized issues that should be addressed. The top two issues identified were: 1) benefit representation and input, especially health care; and 2) the limited role the BFW Committee over the past several years. Health care has been the primary focus to date. Meetings with members from the Professional Employees Association and the Classified Employees Association identified similar concerns regarding health care. A Benefits Advisory Committee (BAC) has been established with two members from the BFW Committee representing faculty. The first meeting was held on January 28, 2011. In addition, the BFW Committee has expressed
their desire to be more involved and has been meeting with either Provost Coward or President Albrecht on a regular basis.

**Issues:**
The BFW Committee is still working on becoming more involved in all areas under our purview.

• Motion made by Robert Schmidt and seconded by Stephen Bialkowski to forward the following resolution to Faculty Senate Executive Committee. Motion passed unanimously.

Resolution
The faculty senate requests the reestablishment of a formal USU Employee Benefits Board (EBB). This board should provide an opportunity for:
(1) discussion and feedback from all employee groups about significant changes (as determined by the EBB) to employee benefits in advance of their formal recommendation for adoption;
(2) formal approval of significant change (as determined by the EBB) to benefit policies and programs prior to their adoption by the University.

To ensure adequate training and experience, we suggest that the 3 major employee groups each appoint 3 representatives to this board on 3-year rotating terms to represent the diverse interests of our employees. As representatives are selected, each employee group should work to ensure adequate representation of the interests of non-Logan based employees.

Discussion Items
• Student Benefits Survey Presentation scheduled for December 15th, School of Business, 9th floor.

INTRODUCTION

Under USU Policy 402.12.3 the Academic Freedom and Tenure Committee is defined as “an administrative body, with jurisdiction in matters related to academic freedom, tenure, promotion, dismissals, and other sanctions; and actions alleged not to be in accordance with the adopted standards, policies, and procedures of the University. In relation to these matters, the committee may hear both complaints initiated by the University against a faculty member and grievance petitions brought by a faculty member.”

AFT Committee Members 2010-2011

James Barnhill, Scott Budge, Nick Eastmond, Britt Fagerheim, Sandi Gillam, Richard Jenson, Lynn Jemison Keisker, David Peak, Craig Petersen, Peggy Petzelka, Aaron Roggia, Helga Van Miegroet, and Ralph Whitesides

OUTLINE OF MEETING FACTS AND DISCUSSIONS

AFT Committee Meeting, October 28, 2010

The committee reviewed the report from the 2009-10 AFT Committee in which a number of issues were encountered during the course of hearing six faculty grievances. Among the items addressed was the possible need for a faculty advocate to assist a grievant in navigating the grievance process. Discussion centered on whether the AFT chair and committee should assume this role or whether the AFT should merely facilitate a fair and expeditious hearing. The committee raised the question of possibly utilizing university mediation as another alternative to the grievance process. An assignment was given for a committee member to investigate and report back at the next AFT meeting. Another issue the committee decided to address is the criteria for pre-tenure termination. The interest in this issue stemmed from one of the grievance hearings from 2009-10 in which a candidate was terminated just prior to the sixth year tenure and promotion committee meeting. The committee discussed code amendments to clarify the requirements for external letter solicitations and also the timing and delivery of evaluation letters to candidates at each level of review. Assignments were made to draft clarifying language for possible code amendments.

Grievance Pre-Hearing, December 7, 2010

The only grievance filed thus far during the 2010-11 academic year involved the grievance filed by a full professor against his department head and members of his post-tenure quinquennial review committee alleging code violations in the conduct of the
review. This pre-hearing was held as outlined in the faculty code in an attempt to stipulate facts, obtain potential witness lists, and establish documentary evidence to be presented. The candidate made an amendment to his grievance and the pre-hearing was continued and subsequently rescheduled for February 9th.

AFT Committee Meeting, January 24, 2011

The committee heard reports from three committee members who were given assignments from the October 28th meeting. The report back on the USU mediation process concluded that mediation was not likely to be a satisfactory alternative to the grievance process. Two committee members shared proposals to amend the faculty code in three areas: (1) 407.72 regarding the criteria for terminating a candidate prior to the final tenure and promotion committee meeting; (2) 405.7.1(3) regarding the clarification of the timing and responsibility for delivery of evaluation letters; and (3) 405.7.2 regarding solicitation of external peer reviewers. Additional feedback on the proposals was provided by the AFT committee and assignments were extended to finalize the proposals at the next AFT meeting on February 22, 2011.

Grievance Pre-Hearing, February 9, 2011 (scheduled)

This is a continuation of the December 7th prehearing.

AFT Committee Meeting, February 22, 2011 (scheduled)

This AFT Committee meeting has been scheduled to finalize the proposals to amend the sections of the Policy Manual (see ISSUES in the following section).

ISSUES

The 2010-11 AFT Committee has elected to pursue possible amendments to the Policy Manual to address several concerns raised during the previous year. During that year six grievance hearings were convened and a number of issues were identified in the AFT Annual Report. The issues and code sections currently being examined by the AFT Committee include:

- 405.7.1(3) Correction to code references with respect to reasons for non-renewal.
- 407.7 Proposal to require a written record of reasons for non-renewal and the communication of such reasons to the faculty.
- 405.7 Proposal to clarify language and responsibilities with respect to the delivery of evaluation letters to the candidate.
- 405.7.2 Proposal to clarify language in the code governing the submission of supplementary materials by the candidate prior to the meeting of the University promotion and tenure committee.
405.7.2 Proposal to amend sections in the code governing the solicitation of external review letters.

RECOMMENDATIONS OR ACTIONS NEEDED BEFORE WORK CAN CONTINUE

None.

Minutes, AFT Committee Meeting, October 28, 2010
Minutes, AFT Committee Meeting, January 24, 2011
Utah State University  
Academic Freedom and Tenure Committee (AFT)  
Minutes – October 28, 2010

In attendance: Richard Jenson, Lynn Jemison Keisker, Nick Eastmond, Helga Van Miegroet, David Peak, James Barnhill, Aaron Roggia, Ralph Whitesides.

- The meeting was called to order at 1:35 PM by AFT Chair Richard Jenson
- The committee reviewed Policy Manual section 402.12.3 describing the jurisdiction, duties, membership, and officers of the AFT committee.
- The committee reviewed the 2010 AFT Committee Report that listed 13 issues that last year’s committee encountered in hearing 6 grievances. The current committee spent most of this meeting addressing three of these issues.
  - One issue addressed the possible need for an “advocate” with strong knowledge of the faculty code who could advise faculty members on the grievance process. A concern was raised that an advocate might be placed in a difficult position if he or she actually advised a potential grievant to pursue or not to pursue a grievance. Another avenue was suggested that involved the possible use of university mediation if the grievance involved an issue which might be negotiated (would not be appropriate in cases involving the denial of tenure). It was suggested that a major problem is that faculty are not familiar with the code and need to be educated on the provisions concerning faculty evaluation and tenure. Another suggestion was to continue to have the AFT chair explain the grievance process to the potential grievant and also rely on the grievance pre-hearing to screen out grievances that appear to have no merit. The committee tabled further discussion of this issue in order to first get information about the USU mediation process. An assignment was given to Nick Eastmond to investigate this and report back to the committee.
  - The 2010 AFT Committee raised concerns that Policy 407.7.2 (Reasons for non-renewal) was vague on the criteria for pre-tenure termination. Helga Van Miegroet was given the assignment to explore some possible wording changes that might address such concerns.
  - The 2010 AFT Committee also raised concerns about the lack of clarity in the code with respect to the delivery of promotion and tenure evaluation letters (TAC, DH, Deans) to candidates. At issue is whether such evaluation letters should be delivered to the candidate prior to the transfer of the binder to the central promotion and tenure committee (Policy 405.7.2(2)-(4)). David Peak was assigned to lead an e-mail dialogue on this issue among the current AFT committee.
  - All committee members were assigned to review the 2010 AFT report once again in order to consider other issues that might be given priority status during 2010-11.
- The committee discussed the appropriateness of AFT hearing panels requesting access to outside review letters in special cases. The general consensus was that the committee should not pursue this because of confidentiality (concerning the outside reviewers) and also to avoid becoming involved in the re-interpretation of the letters.
- The committee chair invited AFT members to communicate their interest in serving as AFT vice chair.
• One grievance has been filed so far during 2010-11. A grievance panel is currently being assembled from among the AFT committee.
• The meeting was adjourned at 3:00 PM.

Respectfully submitted by Richard Jenson.
The meeting was called to order at 2:35 PM by AFT Chair Richard Jenson.

Richard Jenson gave an update on the grievance hearing currently before the AFT. A concern was raised that the process was not following the schedule prescribed in the code. Richard explained that part of the delay was due to an amendment to the grievance that added three additional respondents. Two respondents had not yet provided responses. Richard expected that the grievance would proceed sometime during February.

David Peak introduced a proposal to clean up and clarify code paragraphs 405.7(2-5). Some of the changes addressed style and consistency in the wording and switched from passive to active voice. The substantive changes clarified the delivery of evaluation letters to the candidate from the various levels of the promotion and tenure process. The new wording specified who would deliver the letter and when it would be delivered.

David Peak also proposed changes in the code governing the solicitation of external reviews. His proposed changes would require that the initial reviewer solicitation list be expanded to six (the required number of returned letters remains at four) with at least half of the potential reviewers from the candidate’s. David suggested that this addresses the problem of failing to have four reviewers returned from the initial solicitation. There were concerns from some AFT Committee members that increasing the original solicitation to six may create waste in the process due to the imposition on reviewers who may not be necessary.

Scott Budge raised the issue of using external review letters from research collaborators noting that the code does not restrict this. Nevertheless, the central promotion and tenure committee has communicated a doctrine of “arms length” although it is not codified. Because of a relatively small research community in some cases, candidates may need, or find it advantageous to use collaborators as outside reviewers. However, it will be necessary in such cases to provide a context when they are used. Scott Budge was assigned to explore some wording that might be added to the code to address this situation.

David Peak proposed a code amendment to allow any candidate to provide supplementary binder documentation to the Provost one week prior to the meeting of the central committee. The current process, which is not codified, does not invite all candidates to provide such supplementary documentation. David will refine wording for final AFT Committee approval.

Helga Van Miegroet presented a proposal to amend code sections 405.7.1(3) and 407.7.2. The issue she raises is the administrative prerogative to terminate a candidate prior to the final tenure and promotion committee review. She proposes that 405.7.1(3) reference the reasons for non-renewal [407.7.2] and that an administrator be required to present a clear written record to the faculty demonstrating reasons for non-renewal. Because little time was left for discussion, Helga requested that the AFT Committee provide her input so that this issue can be finalized at the Feb 22 meeting.

Nick reported back on the USU mediation program. Larry Smith told him that there was not a big demand for mediation (perhaps one every two years). However, BrandE
Faupell felt the program had value, but that training would have to be kept current. Nick concluded that the mediation program was probably not an alternative for any of the types of faculty grievances typically heard by the AFT hearing panels. Mediation would appear to be better suited for settling communication gaps and not addressing code violations.

- The next meeting of the AFT meeting was scheduled for February 22 at 2:30 (location to be announced).
- The meeting was adjourned at 3:40 PM.

Respectfully submitted by Richard Jenson.

12.8 Faculty Diversity, Development, and Equity Committee

The duties of the Faculty Diversity, Development, and Equity Committee are to collect data and identify and promote best practices for faculty development, mentoring, and work environment to facilitate the success of diverse faculty at all career levels; provide feedback and advocate processes for faculty recruitment, promotion, and retention that promote diversity, fair pay standards, and work/life balance for the faculty; report on the status of faculty development, mentoring, diversity, and equity; and make recommendations for implementation.

The membership, election, and appointment of members; term of members; officers; and meetings and quorum of the Diversity, Development, and Equity Committee shall be parallel to those of the Academic Freedom and Tenure Committee, as stated in policy 402.12.3(2) through 12.3(5).
12.9 Executive Committee of the Faculty Forum

12.10 Senate Handbook Committee

The Senate Handbook Committee composes and/or revises annually the Senate Handbook (policy 402.2.3) with final approval by the Senate Executive Committee (policy 402.12.1). This committee consists of three members appointed from the Senate, one of whom is the immediate past Senate President. Additional members may be appointed by the Committee on Committees. All members of this committee serve two year terms in accordance with policy 402.11.2 and 12.2(4).

402.13 UNIVERSITY COUNCILS AND COMMITTEES WITH FACULTY REPRESENTATIVES

The Senate Committee on Committees recommends to the Senate faculty members to be appointed to the following University councils, boards, and committees: Athletic Council, Graduate Council, University Research Council, Council on Teacher Education, University Libraries Advisory Council, Honors Program Advisory Board, University Scheduling Committee, Calendar Committee, Bookstore Committee, Honorary Degrees and Awards Screening Committee, and Parking Policy Committee. The faculty representative need not be a Senate member unless his/her role on the council or committee is to represent the Senate specifically as well as the faculty generally. See also policy 402.10.3, 11.2 and 12.2(4).
PRPC met on Monday afternoon, February 14, 2011. Vince Wickwar, Glenn McEvoy and Ed Heath joined the committee to explain more about the reasoning behind the proposed change to Section 401.4.2(1) that describes the Lecturer Ranks. PRPC discussed the proposed change and suggested a change to the language from the original proposal. These changes, which were unanimously approved by PRPC, are reflected below.

Present Version:

Faculty members whose function it is to teach remedial, beginning, or, on occasion, intermediate university courses, are appointed to one of the following titles: Lecturer, Senior Lecturer, or Principal Lecturer.

Proposed Version:

Faculty members whose function is to teach remedial (0010-0990), lower division (1000-2990), or, on occasion, upper division (3000-4990) university courses, are appointed to one of the following titles: Lecturer, Senior Lecturer, or Principal Lecturer.

Under special circumstances, Lecturers who are uniquely qualified through education and/or experience may be assigned to teach courses 5000 and above if, after a full consultation, between the department head and the faculty of the department that grants the credit for the course, collectively agree that it is in the best interests of the students, faculty and department.
One-Year Renewal of USU-CEU Faculty Senate (and Faculty Senate Executive Committee) Apportionment Proposal with the Addition of Membership on Faculty Senate Standing Committees

Last year the Faculty Senate (FS) approved the proposal given below. It gave USU-CEU three faculty senators and one executive committee member. It also allowed for annual extensions, thereby providing time for the Ad Hoc Committee to Recommend Code Changes to Integrate USU-CEU to make its recommendations and to have them approved by the FS. While the committee is making considerable progress, it seems prudent to renew this proposal for another year in case its recommendations are not approved by FS during the 2010-11 academic year. The existing code (Sections 402.3.3 & 4, 402.10) will extend to USU-CEU, meaning that the current senators and alternates will continue into the 2011-12 academic year. In addition, it would also be appropriate to extend the original proposal to have members of the faculty at USU-CEU elect members to the FS standing committees [AFT, BFW, EPC (and its Curriculum Subcommittee), FEC, FDDE, and PRPC], as is currently done by the faculty in the Academic Colleges, Extension, Libraries, and Regional Campuses. This extends the membership of these committees, as currently described in Section 402.12, to include USU-CEU. The logic for this extension in membership is the same as that used in the past to add representatives from the Regional Campuses.

USU/CEU Faculty Senate Apportionment Proposal

All Senators are well aware that a permanent change to our “faculty code” takes much time and attention. However, the recent Legislative action to merge USU and the College of Eastern Utah (CEU) has created an unusual challenge for our Faculty Senate. As of July 1, 2010, CEU faculty will become members of our USU faculty and, therefore, we feel a sense of obligation to have them represented in our Senate. Therefore, the following proposal is presented as a temporary solution that provides two advantages: (1) providing immediate representation for our new colleagues; while (2) affording us the time to be prudent and reflective on how our new colleagues will be integrated into our system of faculty governance.

It is proposed that 3 faculty senators represent CEU, as a unit. These senators shall be elected from the faculty, by faculty at CEU in accordance with election and eligibility rules of the USU Faculty Senate. One of the three shall be selected to serve on the Faculty Senate Executive Committee. Their term of service shall be from August 15, 2010 through June 30, 2011. It is our intention to consider and renew this temporary expansion of Senate membership annually until the recommendations of an ad-hoc committee can be permanently enacted in the University Policy Manual (Faculty Code). The ad hoc committee (with CEU representation) shall be formed and charged with investigating possible changes that would be needed in the code with regard to Faculty Senate apportionment. At this time, there are too many unanswered questions for us to move quickly with confidence and certainty. While answers to these questions will emerge in time, the Executive Committee of the Faculty Senate has concluded that it would be
prudent for us to adopt a temporary solution and, during that time, complete our background work to ensure that any permanent changes to the “faculty code” are well considered and position us for long-term success.

Again, this is a temporary solution in order for CEU to participate while permanent code changes are in process.
