Degree you are seeking:

Expected completion date for degree:

How will this research contribute to the degree you are seeking?

Preference will be given to students with demonstrated need. Please describe the need for the award.

How much funding are you requesting from WGRI? (WGRI will not fund more than your matching funds.) _____

Who else may provide matching funds (advisor, department, college) and in what amount? Please attach documentation of matching funds.

Have you requested funding from other appropriate organizations such as professional organizations in your field or conference organizers? Please describe the results of those requests.

WGRI funding is limited to a one-time grant per student. Have you previously received funding from WGRI (If yes, give details.)

Is this request for travel? Yes / No for research? Yes / No

If this request is for travel funding:

Have you previously received funding from the Graduate Student Senate? Yes / No

If not, have you applied for that funding now? Yes / No What was the result?

Are you currently employed on campus? Yes / No If so, what is your title?

How is your research funded?

In the space provided, briefly describe your research project or presentation.

State your professional goals and how you plan to achieve the goals.

Provide an estimated budget, indicating how you plan to use the funds. Include costs for items such as materials, data collection, copying, library searches, computer work, travel, and total.

Note, WGRI funds cannot be expended for copying or binding costs for the dissertation. Specify how WGRI funds will be used.

If requesting travel funds, attach confirmation of participation.

Describe significance of project or presentation to the goals of the Women and Gender Research Institute.
