Application for financial aid begins in January for any awarding anticipated during the following academic year. In most instances, early application benefits the applicant. Those who apply early have a greater chance of receiving more aid and of having aid available in time to meet school needs. Some aid is available throughout the year. Contact the Financial Aid Office for assistance.

Scholarships are awarded to qualifying applicants who apply on or before February 1, prior to the academic year. Contact Financial Aid Office for exact deadline.

Financial aid programs, policies, and procedures described herein reflect the latest information at publication. Changes may occur in response to state and federal requirements. Appropriate notice will be made whenever possible before any change takes effect.

For further information concerning financial assistance available for graduate students, see pages 71-72 of this catalog.

Grants, Work-Study, and Loans

Federal Pell Grant. Available to undergraduates. Grants do not need to be repaid.

Federal Supplemental Educational Opportunity (SEOG) Grant. Available to undergraduates. Grants do not need to be repaid. The maximum award varies yearly. Awarding is based on need and funding.

Leveraging Educational Assistance Partnership (LEAP) Grant. Awarded to resident undergraduates who demonstrate exceptional need. Awards are based on availability of funds.

Utah Centennial Grant (UCOPE). Available to undergraduate residents of Utah. Awards are based on availability of funds.

Other Grants and Special Benefits. Contact the Financial Aid Office for details concerning BIA or Tribal Grants.

Federal Work-Study (CWS). Provides part-time on-campus and some off-campus employment to enable students to earn a portion of their educational expenses during the college year. Awarding is based on the availability of funds.

Federal Perkins Loan. Undergraduate students generally may borrow up to \$2,400 a year, to a total school amount of not more than \$15,000. Graduate students may borrow \$3,000 per year, up to \$30,000. Monthly payments and interest begin after graduation, withdrawal, or otherwise leaving school, or after dropping below 6 credit hours. A 5 percent simple interest rate applies. Awarding is based on need and funding.

Federal Stafford Loan. Low, variable interest loans. Freshmen may apply for up to \$2,625 each regular school year; sophomores may apply for up to \$3,500 a year; juniors, seniors, and second bachelor's degree students may apply for up to \$5,500 a year; and graduates may apply for up to \$8,500 a year. Aggregate borrowing limits are \$23,000 for undergraduates and second bachelor's degree students, and \$65,500 for graduates. Monthly repayment begins after completing or leaving school, or after dropping below 6 credit hours. Interest accrued prior to the beginning of repayment is paid by the federal government for "subsidized" Federal Stafford Loans. Maximum repayment period is generally 10 years.

PLUS Loans. PLUS loans are for parents who want to borrow for their children's education. This loan provides additional funds for educational expenses. Repayment begins within 60 days after the last loan disbursement. This variable interest loan has an interest rate cap of 10 percent. This loan is available when other awarded federal aid to the student does not fully meet the school's estimated cost of education.

Emergency Loan. Emergency money is available for USU students with fees paid for at least 6 credit hours. Graduate students may apply for up to \$500. Undergraduate students may apply for up to \$200. Emergency loans are not available for tuition. The duration of emergency loans is eight weeks. A low rate of interest or service charge applies.

Method of Awarding Financial Aid

A student's **Estimated Family Contribution (EFC)** is calculated from information provided by the student on the federal financial aid application. A student's **Financial Need** is the difference between the estimated cost of education and the EFC. Financial aid is awarded to fill this need, as much as possible, using whatever funds are available.

Repayment of Federal Funds Policy

Students who are withdrawing from the University and who have Federal Financial Aid must meet with their financial aid counselor prior to withdrawing.

Students who completely withdraw from the University during the course of a semester are required to return a percentage of their Federal Student Financial Aid. All types of Federal Financial Aid are included in the repayment, including: Pell Grants, Supplemental Grants, Perkins Loans, and Stafford Loans. The amount of repayment is based on the percentage of the semester completed. For example, if a student withdraws after completing 40% of the semester (calculated using calendar days), the student must return 60% of his or her Federal Student Aid. If the student is eligible for a refund of tuition and fees, according to the University refund policy, the refund will be applied to the Federal Financial Aid obligation. A refund may or may not completely repay the obligation. Either way, the student will not be allowed to register for future classes, nor be eligible for future financial aid, until the debt is repaid.

For example, suppose a student has Federal Aid in the following amounts:

Pell Grant	\$1,500
Perkins Loan	1,200
Stafford Loan	2,750
Total	\$5,450

If the semester has 115 calendar days and the student completely withdraws from the University on day 20, the repayment would be calculated as follows: $115/20 = 17\%$ of the semester completed, and 83% not completed. Therefore, 83% of the Federal Aid must be repaid (i.e., $\$5,450 \times 83\% = \$4,523.50$).

Withdrawal on day 20 would allow a 50% refund of tuition and student fees. If the student paid \$1,400, the refund would be \$690 (i.e., \$700 minus the \$10 nonrefundable registration fee). Therefore, after \$690 is applied to the repayment, an additional \$3,842.50 must be repaid (i.e., $\$4,523.50 - \$690 = \$3,842.50$).

Note: Loan funds to be repaid will go into repayment according to the terms of the loan. Grant funds to be repaid must be repaid immediately. More details are available from the Financial Aid Office.

Responsibility of Financial Aid Recipients

Undergraduate financial aid recipients are expected to maintain a USU GPA of at least 2.0 and complete the appropriate number of credits for the type of aid they receive. Most grants, work-study, and Perkins Loans require full-time (12 credits) enrollment. (Pell Grants are pro-rated for full-time, three-fourths-time, half-time, and less than half-time.) Stafford Loan recipients must maintain 6 credits each semester they receive a loan.

Graduate students must maintain a USU GPA of 3.0 and must complete 6 credits each semester they receive financial aid or defer student loans.

Students not maintaining either the required credits or the required grade point average will be placed on financial aid probation for a minimum of one semester. Students not meeting the required minimums during the period of probation will be suspended from further aid. In exceptional circumstances, students may appeal to have the suspension lifted.

In addition to maintaining academic progress as defined above, recipients may not owe a repayment on grants previously received, or be in default of any student loan fund at USU or any other institution.
