In addition to these national brands, many other options are available to meet everyone's taste.

For a more casual lunch, students and staff can visit the Carousel Square on the second floor of the Student Center, where chefs prepare more up-scale offerings to satisfy anyone's hunger. Enjoy fresh made burritos, wraps, pasta, and a full salad and soup bar. The Carousel Square is a great place to relax in the middle of the day and find casual dining at its best.

## The Skyroom

Located on the fourth floor of the Student Center, this full-service restaurant offers wonderful entrees prepared daily by professional chefs. Tuesdays and Thursdays feature an "all-you-care-to-eat" buffet. A daily "all-you-care-to-eat" salad and soup bar is considered one of the best in Cache Valley.

## The QuickStop

This campus convenience store, located on the first floor of the Student Center, provides quick little snacks, goodies, and drinks to help students and staff make it through the day.

## The QuadSide Café

This café is a coffee shop and more. The Quadside Café features Cache Valley's famous Café Ibis® coffee, pastries, soft drinks, salads, and sandwiches. Located inside the Merrill Library, this café is a great place for students to grab a quick snack on their way to class or while studying.

## The Junction

The Junction is a residential on-campus dining hall. With everything being "all-you-care-to-eat," it is definitely the best value in town. Chefs prepare many new and interesting daily entrees. The Junction features a full salad and soup bar, grill, sandwich bar, and dessert bar. A registered dietician works closely with students to ensure that their nutritional needs are met. To meet individual lifestyles and budgets, the Junction provides several different meal plans.

## Catering

Utah State University Catering provides food for buffets, served meals, cookouts, receptions, and refreshment breaks. Catering is provided for many University events, both on and off campus. The chefs and staff create special menus to help people create special events.
