

GRADUATE COUNCIL AGENDA

09 September 2009, 3:00 pm

School of Graduate Studies Conference Room, M164

Approval of minutes for April 2008

INFORMATION

DISCUSSION

1. MS name change in HPER
2. ETD Submission processes (cgslis Digest)
3. Adding tuition assistance to grant proposals (further discussion requested by Richard Cutler)
4. Graduate program reviews (discussion carried from last April GC meeting)
5. Public abstract topic
6. Academic Analytics Report (discussion carried from last April GC meeting)
7. (Byron) ETS Evaluation

This is part of the GRE. In July they are putting in place as part of the GRE test, a Personal Potential Index that they will use (we can require it or not). Byron would like to see this added to our requirement as part of the GRE testing. Let's add this as a discussion item to September's GC meeting.

8.

Graduate Council Meetings for 09-10
