BENEFICIARY DESIGNATION FOR UTAH STATE UNIVERSITY DEATH BENEFITS

In the event of the death of a benefit eligible employee, the University pays a small death benefit in addition to the life insurance (one times salary paid by USU).

This death benefit is a payment based on the deceased employee's salary for a 30-day period from the date of death. In addition, any accrued annual leave is also payable.

Below is a form you can fill out to indicate your beneficiary designation.
