## HealthEquity's Member Portal

Our partnership with HealthEquity for your HSA enables you to better manage your healthcare dollars. HealthEquity's member portal offers tools that assist with optimizing every HSA dollar you spend. Some of these tools include a prescription Pricing Tool, an Out of Pocket Estimator and many others. The tools are available under the "My Toolkit" section of the member portal.

The screenshot displays the HealthEquity member portal interface. At the top, the Regence logo is on the left, and the HealthEquity logo is on the right. Below the logos is a navigation bar with tabs for 'My Account', 'My Money', 'My Toolkit', and 'News & Info'. The main content area is divided into several sections. On the left, there is a 'My Account' section with links for Account Balance, HSA Transaction History, Account Statements, Insurance Information, Dependent Information, and Authorized Individuals. In the center, there is a 'My Money' section with links for Reimbursements/Payments, View Claims, Manage Investments, Make Contribution, Contribution History, and View Pending Payments. To the right of 'My Money' is the 'My Toolkit' section, which is circled in red and contains links for Prescription Pricing Tool, Symptom Checker, Health Encyclopedia, Care Guides, Hospital Comparison, and Surgeries and Procedures. On the far right, there is a 'Quick Stats' section showing HSA Available Balance (\$3,495.39), HSA Contributions YTD (\$0.00), HSA Distributions YTD (\$0.00), and Pending Payments (\$0.00). Below this is a 'My Alerts' section with a link to 'Enter Beneficiary Information Online'. At the bottom of the page, there is a footer with copyright information and a 'General Tip' section.
