WHEREAS it is the responsibility of each college Senator to represent the students voice in each of their respective colleges.

WHEREAS each Senator has the constitutional responsibility to have set office hours to hear opinions, comments, and feedback from their constituents so they may represent their constituents’ voices accurately.

WHEREAS the ASUSU booth in the TSC has been built to help elected officials hear and more fully understand the student voice.

BE IT THEREFORE ENACTED that each Senator will be required to be at the booth in the TSC, or at a table in a designated area at a designated time within their respective college building, at least two hours per week.

BE IT FURTHER ENACTED that the college Senator may decide which forum would be most effective to hear from their constituents, and can decide where the required two hours may be spent.

BE IT FURTHER ENACTED that hours spent at either the ASUSU booth or individual college table may be used to supplement required office hours.

BE IT FURTHER ENACTED that each senator will be required to submit a schedule of where and when the booth hours will be spent to the Academic Senate Administrative Assistant.

ASB 06-01 Desk and Booth Hours

22   Spencer Watts, Academic Senate President
ASB 06-01 Desk and Booth Hours 2005-2006 POLICY PAPER

HISTORY: No real history exists on the subject.

POSITIVE: This will allow elected officials to be among their constituents and better represent them.

NEGATIVE: This will be a time commitment.
