Student Website Committee

Whereas the student website is part of student life and a responsibility of ASUSU student government.

Be it therefore enacted that the website committee be chaired by the Student Advocate VP with the Public Relations Director as vice-chair.

The responsibility of the chair include the following: Direct the ASUSU webmaster on the design and upkeep of the website. Make sure transition is smooth and that the site can be continuous from year to year.

The vice-chair shall keep the website current and up to date with all information and events as well as assist the chair where needed.

Be it therefore enacted that the committee have representation from the President, the Programming VP, the webmaster, and a Senator chosen by the Chair of the committee.

The responsibility of the members are to help with input and spread a working knowledge of the website through ASUSU.

Communication should be directed through the co-chairs, who will then assign the webmaster responsibilities.

All content related information will be passed through the public relations director. Site functionality and technical requests shall go through the student advocate VP.

Webmaster will be charged with teaching this committee how to use and update the website.

The committee shall meet once a month to guide webmaster in site development.
