WHEREAS it is the responsibility of e-Club – Utah State University’s Student Entrepreneur Club to enhance student life at Utah State by promoting creativity, collaboration, innovation, and discovery amongst USU students as well as the surrounding community, and

WHEREAS the e-Club enhances student life by promoting student-run businesses and awarding scholarships, start-up cash, and mentoring, and

WHEREAS e-Club is hosting a Rail Jam at Utah State University to promote collaboration, innovation, and discovery amongst USU students as well as the surrounding community, and

WHEREAS Utah State University has never hosted a rail jam, and

WHEREAS other universities (Weber State University, University of Utah, and Westminster) have hosted rail jams, and

WHEREAS it is anticipated that the rail jam will attract between 2,000 and 3,000 participants, and

WHEREAS the rail jam will be held on the Quad and has potential to become an annual event at the university, and

WHEREAS the total cost for the event is $20,000, and

WHEREAS e-Club has already raised $15,000, and

WHEREAS other donors are currently overwhelmed by the economic situation, and

WHEREAS pursuit of further donors has been unproductive to date.
BE IT THEREFORE ENACTED that $5,000 of Capital & Support funds be allocated to e-Club for the successful execution of the Rail Jam to be held at Utah State University.
