1. WHEREAS: Disability resources are necessary to facilitate the needs of students with disabilities throughout the state, and

2. WHEREAS: The Rehabilitation Act requires Universities receiving federal funding to provide services for the disabled, and

3. WHEREAS: The state has funded Utah State University’s Disability Resource Center (DRC) in the past and has recently cut their funding completely, and

4. WHEREAS: The 34,000 hours of services provided by the DRC is comparable to other institutions in the state of Utah, and

5. WHEREAS: Utah State University pays, through student fees, for a student lobbyist to represent the Utah Student Association (USA) and the Utah Council of Student Body Presidents (UCSP) fees.

6. BE IT THEREFORE RESOLVED THAT: The USA student lobbyist make the restoration of disability funding by the state of Utah a line item and move it to top priority.
