WHEREAS: ASUSU’s compensation is no longer funded by tuition waivers but a set dollar amount.

WHEREAS: This changed method of compensation funding has placed our budget nearly $80,000 over our allotted amount.

WHEREAS: The budget shortfall has created the necessity to award the position and not the individual.

BE IT THEREFORE RESOLVED: That executive council members with the exception of the president will receive a cash scholarship amounting to $2,500 fall and spring semester from ASUSU as compensation that may be placed on top of any existing scholarships. In addition members will also receive a $200 stipend four times each semester, approximately each month.

BE IT FURTHER RESOLVED: That at the director level all positions will receive a cash scholarship amounting to $2,500 fall and spring semester from ASUSU as compensation that may be placed on top of any existing scholarships. In addition the Public Relations Director will also receive a $200 stipend five times each semester, approximately each month.

BE IT FURTHER RESOLVED: That the President of ASUSU will receive a cash scholarship amounting to $3,000 fall and spring semester from ASUSU as compensation that may be placed on top of any existing scholarships. The
President will also receive a stipend of $300 five times each semester,
approximately each month.

BE IT FURTHER RESOLVED: That in the event of future funding this
amount may increase depending on the discretion of the Vice President of Student
Services.
