WHEREAS: A lot of money is spent on student fees, and
WHEREAS: Students have a right to know how this money
is being spent, and who the fee receiving units are, and
WHEREAS: Students need to take more advantage of their
fee dollars.

BE IT THEREFORE RESOLVED THAT: A $150 dollar, 2' X 3', solid
oak framed, cork filled, display window be purchased by the
Student Advocate V.P. out of the Student Advocate budget, and
be installed on the east side of the four cashier's windows
on the second floor of the Student Center.

BE IT FINALLY RESOLVED THAT: The Student Center maintenance
staff help the Student Advocate V.P. to install the display
window.

It is resolved that the display window be exclusively reserved for student use.
