Policy Paper

History:

In the spring of 2010 the position for the Caine College of the Arts Graduate Senate Position was created as part of the ASUSU Election.

Purpose:

The Caine College of the Arts Senator will now receive a stipend and be clearly distinguished from the College of Humanities and Social Sciences. This will create a Senator position which allows for equal representation of the colleges CHSS and Arts.

Pros:

Each college would have equal representation in GSS.

Cons:

Adding an addition Senator position requires another stipend out of the GSS Budget.
