Policy Paper

Committee: Executive Council
Absent: None

History:

The Blue Crew President currently attends to many responsibilities within the Student Events Office. Throughout the past two years this position has grown and so have the duties and time commitments. The Blue Crew President originally oversaw a team of seven other members and now manages a team of twenty-four members. In the coming years more responsibilities and duties will be added to the president position as well.

Purpose:

This bill aims to establish a compensated position under the Student Events Vice President to provide support to both the Student Events VP and the PR and Marketing Director positions. The position will have an established charter that set the duties and responsibilities for them. The president will help each officer fulfill the goals set within the USUSA constitution.

Pros:

Establishment of 1 more stipend leadership positions within USUSA
Encouragement for the president to accomplish the tasks given to them
Additional support for current USUSA officers

Cons:

Stipend will come from the Student Events VP funds
