History: This committee is as a result of new funding from Noelle Cockett discussed at Truth in Tuition spring of 2018. Students will join with upper administration to form a committee overseeing a proposed amount of $200,000 for facility enhancement. Refer to ASR 2019-01.

Purpose: To allow student voice through USUSA elected students that will best represent the needs of their constituents and respective colleges.

Pros: Committee will provide new opportunities to our students, student voice will be heard.

Cons: Added responsibility for senators, not all colleges will be represented on this committee, funding may not be guaranteed year to year.
