Public Forum

1. Music Therapy Benefit Concert, $5 for students, TONIGHT at St. John’s Episcopal Church. Proceeds benefit Celeste Pole.

President’s Report

1. This week was the curriculum subcommittee. The Aviation Program is moving from the College of Engineering to the College of Agriculture. The Computer Science program is moving from College of Science to the College of Engineering.

2. Academic Senate Council Training is going to take place on November 12th.

Council Updates

1. Erika
   a. CHaSS Ambassadors is currently being researched.
   b. Each Senator needs to add events to the ASUSU Calendar, available online at www.usu.edu/asusu. The calendar is on the bottom right. Each officer can add the events using a form on that page.

2. Riley
   a. Engineering Council helped with the Tech Expo last week.

3. Mary
   a. First lecture series featured a mission statement and ten goals for the Arts College. Also introduced were the Arts College Ambassadors
   b. Dining Services is moving forward with the contest for the new café.
4. Becky
   a. Comments on the A-Frame is providing a lot of ideas about what we can do. Becky and Jarvis painted the a-frame with chalk paint and left chalk for ideas. It was filled in a matter of a week.
   b. Angry Birds is moving forward. The Council is also working on a service project with the Whittier Center.

5. Jarvis
   a. Pumpkin Walk at the Organic Farm was a success.
   b. The Ag Council may add a Faculty Advisor to the council. Restructuring is still underway.

6. Jordan
   a. President’s Cabinet is collecting names for people to recognize.

7. Joe
   a. Second Science Council meeting, which meets monthly, went well. Plans include shooting lasers at hydrogen balloons and elevator parties.

8. Blake
   a. College of Natural Resources week is next week. Officers are asked to ‘like’, ‘attend’, and ‘share’ events and information on their social media sites. Events include a shootout with Jared Quale on Monday (10am to 12pm); Free Concert at 7pm in the Intl. Lounge; “Tapped” (w/ free food) at 7pm on Tuesday; Wednesday is a Campout (weather permitting) with “No Impact Man” from 8pm to 8am; Thursday in NR 102 Herm Olsen is speaking.

9. Scot
   a. Business Council is meeting tomorrow to review Business Week with students and faculty.

Unfinished Business

New Business

1. Bear Lake Training Center WiFi (Joe Watson)
   a. ASUSU uses the Bear Lake Training Center quite a bit and there is a need for wireless internet at the center. Concerns expressed include access, cost, password protection, etc.
i. Jordan—I would like to see a password added so as to limit the usage to only advisors.

2. Legislation
   a. Officers can speak about student concerns to be fixed with Legislation. Officers are encouraged to seek out ways they can improve the campus and student life through bills and resolutions.

3. Volunteer Legislation (Becky Checketts)
   a. Idea to add a requirement to graduation that would require 2 service hours.
      i. Jordan—If we are going to do it we need to make it more like 100 hours. 2 hours is not a service background.
      ii. Jarvis—Would Cache Valley get serviced out if we make every student serve?
      iii. Kevin—the Service Center and Programming is working on a Volunteer Database that could work in conjunction with this.

Advisor Announcements

1. Kevin
   a. There are two openings for officers who would like to go to the Davis Open House with the President’s Cabinet.
   b. Officers are reminded to approve any shirts through Hannah in Public Relations.
   c. Advisors will be out of the office throughout the next couple of weeks. Please be sure to get in contact with them and ask another advisor if yours is out of town.
