CUFISS: Questionnaire

Community University Friends of International Students and Scholars (CUFISS) is designed to organize and facilitate interaction between international students and scholars at USU and local community members. We hope that all USU international students and scholars will consider participating in one or more parts of the program.

The questionnaire below will help us know more about your background, interests and how we can contact you when activities are planned. This does not obligate you to participate in any particular activity. If you prefer, you may leave parts of the form blank.
