

Office of International Students & Scholars I-20 Replacement or Change of Major

Please bring the following to the Office of International Students & Scholars (OISS):

Unofficial Transcripts
Current Registration
Account Summary
Passport, Visa & I-94 card
I-20 (for change of major)
Financial Documents

For **Change of Major**: You must first submit a change of matriculation form to the Registrars office. The change of matriculation form will need to be signed by your current academic advisor and your new academic advisor and then initialed by an OISS advisor. We cannot change your I-20 program information until the change of major shows up on Banner.

For **Replacement I-20**: You may need to submit new financial verification (dated within the last year). The funding may be in the form of a personal bank statement, sponsor's bank statement accompanied by a letter, or a letter from your department. The following funding is necessary:

Undergraduate student (single)	\$29,236.00
Undergraduate student (married)	\$34,236.00

***Note: These amounts will vary if you have children, ask the OISS.*

Graduate student (single)	\$28,382.00
Graduate student (married)	\$33,382.00

***Note: These amounts will vary if you have children, ask the OISS. If you are a graduate student who is on assistantship or is registered for CGAs only, your financial figure will be less (ask the advisors at the OISS).*

Please make an appointment to see an advisor (call 435-797-1124 to make an appointment) and bring all of the above information to the OISS with you for your appointment.
