Visitor Visa for Parent, Relative, etc.

Instructions for Students:

Send an invitation letter (sample below) to relative in home country.

If you will be providing money for their stay in the US, then complete an I-134 form.

If you would like the Office of International Students and Scholars to write a letter on your behalf, then you must complete the form that is attached. This letter will be given to you to send to the person whom you are inviting.

Financing Visitors:

If the student choose to provide financial assistance, then complete and send the Affidavit of Support (I-134). If the visitor is funding themselves they will not need a I-134.

Please Note:

The OISS staff does not advise students as how to fill out the I-134 form. There is not a specific amount of money that you must show for the I-134. YOU must decide how much money is sufficient to support the person.
