

# Auditing Classes

---

Admitted students who wish to audit a class must register as auditors. Auditing is dependent on space, resource availability, and instructor approval. No credit or grade points will be granted. The regular tuition and course fees will be assessed. At no future time may students request or receive credit for the audited course by any other means than by officially registering for the course and doing the required work. Audit requests, approved by the instructor, must be submitted to the Registrar's Office and tuition and fees must be paid before class attendance is permitted. Students are not permitted to register as auditors during Priority Registration.

House Bill 60 (1977) permits Utah residents 62 years of age or older to audit regular university classes offered during the day or offered through Regional Campuses and Distance Education. However, space in many university classes is limited. Classes which are full at the time of an audit request are unavailable. Credit seeking, full-tuition paying students shall have first priority in the registration process. A flat fee of \$10 per semester, **plus any course fees or special fees that may be attached to classes**, is charged for House Bill 60 (1977) registration.
