Society of American Foresters
Snake River Chapter
Spring Meeting
April 1, 2008

Please join the Snake River Chapter of the Society of American Foresters for our annual winter (spring this year) meeting. The topic will be:

**Wildfire Policy -- Is It Changing?**

Our speakers will include a panel of Federal and State representatives. They are:

- **John Glenn**, Chief, Division of Fire Operations, Bureau of Land Management
- **Dick Smith**, Forest Supervisor and **Guy Pence**, Aviation Fire Management Officer, Boise National Forest
- **George Bacon**, Director, Idaho Department of Lands

The meeting will include a brief slide presentation of the 2007 record-breaking fire season, followed by short presentations by each panelist. A question and answer session will follow.

The meeting logistics are as follows:

**Place:** Leku Ona Hotel and Restaurant at 117 S. 6th Street, Boise (Basque Block).

**Time:** Bar opens (no-host) – 5:30 p.m.
- Dinner – 6:30 p.m.
- Presentations/discussion – 7:15 – 8:30 p.m.

Meal is a five-course, family-style Basque dinner. The only choice you need to make is the main course. The cost is **$30**. Selections are:

- Beef
- Solomo
- Chicken
- Lamb

As the above list indicates, Basque cuisine is not real vegetarian, but if you require vegetarian, let us know and we’ll get it worked out. Since the meal is family-style, there is lots of opportunity to share dishes with your table. Wine is available by the bottle for as little as $12/bottle.

Please RSVP to: [denny.mengel@ch2m.com](mailto:denny.mengel@ch2m.com) by the March 14th, include your main course choice and number attending.
