

UNIT ONE

Teaching to Behave

INTRODUCTION

Unit Overview

The purpose of this unit is to provide information on how to teach a child to behave. There are eight lessons in this unit. Each lesson provides directions on how to teach the skills and gives examples of adult dialogue. The lessons are organized as follows:

- Lesson 1: Following Directions
- Lesson 2: Paying Attention
- Lesson 3: Picking Up Toys
- Lesson 4: Playing With Other Children
- Lesson 5: Sharing
- Lesson 6: Sitting Still
- Lesson 7: Taking Care of Things
- Lesson 8: Working
