Institutional Repository & Open Access
What is the Institutional Repository or IR?

- Preserves and promotes the scholarship and research of USU.
- A means to increase the reach and impact of your work: over 2.5 million downloads in the last year!
- Majority of downloads are via popular search engines such as Google.
Selected Works: A Scholarly Profile

Selected Works of Shannon Smith

Assistant Librarian

As an academic librarian, I value collaborative work and believe in the impact of building community. I am experienced with library instruction, educational technology, Open Educational Resources, collection development, and STEM/Makerspaces. I am passionate about digital scholarship, open access, and supporting more inclusive approaches to librarianship.

Online Presence & Your Work
DISTINGUISH YOURSELF IN THREE EASY STEPS

ORCID provides a persistent digital identifier that distinguishes you from every other researcher and, through integration in key research workflows such as manuscript and grant submission, supports automated linkages between you and your professional activities ensuring that your work is recognized. Find out more

1. REGISTER  Get your unique ORCID identifier Register now!
Registration takes 30 seconds.

2. ADD YOUR INFO  Enhance your ORCID record with your professional information and link to your other identifiers (such as Scopus or ResearcherID or LinkedIn).

3. USE YOUR ORCID ID  Include your ORCID identifier on your Webpage, when you submit publications, apply for grants, and in any research workflow to ensure you get credit for your work.
