

# EPSILON ALUMNI NEWSLETTER

SEPTEMBER 2009

## **Tweets, Blogs, and Profiles, OH MY!**

*Today's technology helps us stay connected, but you must do you part*

What an incredible age of technology we live in that allows so much information and so many relationships to be accessed at the push of a button with speed and clarity.

Many of the Epsilon Alumni use such methods to update friends, family and sisters on their latest news.

If you are one of these tech savvy sisters, take advantage of this connection. Use it to see how sisters are doing or to offer words of support. Keeping our relationships alive depends on our desire and time to make them meaningful.

If you don't dig the tech scene, what methods do you or should you use to stay in touch with your fellow alumni?

The national website is filled with awesome info and resources. Be sure you know how to access the Members Only Section, and check the site often to see what wonderful things TNX is doing nationally.

## **CALENDAR OF EVENTS**

September 21-26  
HOMECOMING WEEK AT USU

September 26  
Homecoming Parade 10 am  
Homecoming Game 7

## **KANIKA'S KORNER**

*A message from the current chapter President*

From September 11-13, four Epsilon sisters traveled to convention to participate in training and reconnecting with other chapters. During convention's ninth annual banquet, the Epsilon sisters were award with the most money donated to philanthropy. As you may know, the step show revenue has been used in the past for donations, but during spring semester 2009 the sisters also organized "Celebrity Server" with Golden Corral.

For the event, the ladies sold \$12 tickets to revenue \$2 per ticket and accepted donations. The chapter had concerns about the event taking place on a Thursday rather than a weekend where more customers travel through. Celebrity Server was a success and one individual donated \$100 to help the English Language Center (ELC), our local philanthropy. About \$400 was raised and presented to the ELC during our step show in April. From Theta Nu Xi standards report, each individual member had an average of \$35 donated per person. This may not seem like a lot, but after intake was over we have a total of 13 girls in the chapter.

Reporting our award at chapter meeting, many of the sisters were pleasantly surprised how our hard work was recognized. We received a paper certificate and gorgeous plaque to remind us of our success. We hope the next convention in Los Angeles, California will be as memorable as the one in Philadelphia.
